## Principal activities and objectives

The principal activities of the Club are to administer and manage the Greater Western Sydney Football Club.

The Club was incorporated on 17<sup>th</sup> March 2008. During the financial year, the Club competed in the Australian Football League (AFL) & North Eastern Australian Football League (NEAFL) competitions.

The Club aims to compete successfully on field, generate greater interest, participation and support for Australian Football within the New South Wales & ACT regions and also positively contribute to the Greater Western Sydney community.

## Operating and financial review

The net profit/ (loss) of the Club for the year ended 31 October 2014 was (\$529,315) (2013: \$30,836). The Club derives its revenue mainly from grants received from the Australian Football League (AFL), corporate sponsorships, membership and ticket sales as well as hospitality and events.

The Club's strategy is to build a high performance team that is competitive in the Australian Football League. The Club also aims to assist in increasing participation and support for Australian Football within the New South Wales and ACT regions.

#### State of affairs

In the opinion of the Directors there were no significant changes in the state of affairs of the Club that occurred during the financial year under review not otherwise disclosed in this report or the financial statements.

## Events subsequent to balance date

There has not arisen in the interval between the end of the financial year and the date of this report any other item, transaction or event of a material and unusual nature likely, in the opinion of the Directors of the Club, to affect significantly the operations of the Club, the results of those operations, or the state of affairs of the Club, in future financial years.

## Likely developments

The directors do not anticipate any major changes in the basis of operations of the Club and the future results of those operations in subsequent financial years.

## Directors' benefits & interests

Since incorporation, no Director of the Club has received or became entitled to receive any benefit by reason of a contract made by the Club, or a related body corporate with a Director. Various sponsorship agreements have however been entered into with companies of which a Director of the Club is a Partner and has a substantial interest. These are listed in Note 17 – Related Parties.

## Dividends

The constitution of the Club prohibits it from payment of dividends and accordingly no dividends were paid during the year.

## **Environmental regulations**

The Club's operations are not subject to any significant environmental regulation under either Commonwealth or State legislation. The Director's believe that the Club has adequate systems in place for the management of its environmental requirements and is not aware of any breach of those environmental requirements as they apply to the Club.

## Lead Auditor's Independence Declaration under Section 307C of The Corporations Act 2001

The Lead Auditor's Independence Declaration is set out on Page 6 and forms part of the Director's report for the year ended 31 October 2014.

## Indemnification and insurance of officers and auditors

## Indemnification

The Club has not, during or since the end of the financial year, in respect of any person who is or has been an officer or auditor of the Club or a related body corporate:

- (i) indemnified or made any relevant agreement for indemnifying against a liability incurred as an officer, including costs and expenses in successfully defending legal proceedings.
- (ii) paid or agreed to pay a premium in respect of a contract insuring against a liability for the costs or expenses to defend legal proceedings.

Signed at Sydney this 9th day of February 2015.

Signed in accordance with a resolution of the Directors.

Mr Anthony Shepherd AO

Director

Mr Joseph Carrozzi

## Lead Auditor's Independence Declaration under Section 307C of the Corporations Act 2001

To: the directors of Western Sydney Football Club Limited

I declare that, to the best of my knowledge and belief, in relation to the audit for the financial year ended 31 October 2014 there have been:

- (i) no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2014

## 1. Statement of significant accounting policies

Western Sydney Football Club Limited ('the Club') is a company domiciled in Australia. The Club was incorporated on 17<sup>th</sup> March 2008. The address of the Club's registered office is Learning Life Centre, 1 Olympic Boulevard, Sydney Olympic Park NSW 2127. The financial statements of the Club are as at and for the year ended 31 October 2014. The Club is primarily involved in administering and managing the GWS GIANTS. The Club is a not for profit entity.

The financial report was authorised for issue by the Board of Directors on 9<sup>th</sup> February 2015.

## (a) Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards ('AASBs') (including Australian Interpretations) adopted by the Australian Accounting Standards Board ('AASB') and the Corporations Act 2001. The financial report of the Club complies with International Financial Reporting Standards ('IFRSs') and interpretations adopted by the International Accounting Standards Board (IASB).

## (b) Basis of preparation

The financial report is presented in Australian dollars which is also the Club's functional currency.

It has been prepared on the basis of historical costs and except where stated, does not take into account changing money values or fair values of assets. The financial report has been prepared on an accrual basis.

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

These accounting policies have been consistently applied and, except where there is a change in accounting policy, are consistent with those of the previous year.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year, or in the year of the revision and future periods if the revision affects both current and future periods.

Judgements made by management in the application of Australian Accounting Standards that have significant effect on the financial report and estimates with a significant risk of material adjustment in the next year are discussed in Note 1.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2014

## 1. Statement of significant accounting policies (continued)

### (b) Basis of preparation (continued)

The following revised standards have been identified as ones which may impact the Club in the period of initial application. The revised standards are available for early adoption at 31 October 2014 but have not been applied in preparing this financial report:

 AASB 9 Financial Instruments (2013), AASB 9 Financial Instruments (2010) and AASB 9 Financial Instruments (2009) (together AASB 9).

AASB 9 (2009) introduces new requirements for the classification and measurement of financial assets. Under AASB 9 (2009), financial assets are classified and measured based on the business model in which they are held and the characteristics of their contractual cash flows. AASB 9 (2010) introduces additional changes relating to financial liabilities. AASB 9 (2013) introduces new requirements for hedge accounting. The AASB has yet to approve the latest version of IFRS 9 which was issued by the IASB in July 2014. This version includes limited amendments to the classification and measurement requirements and the new requirements for impairment of financial assets. AASB 9 is effective for annual periods beginning on or after 1 January 2018. Early adoption is permitted. The Club is assessing the potential impact on its consolidated financial statements resulting from the application of AASB 9.

The Club has adopted the following standards and amendments for the 31 October 2014 reporting period: AASB 119 Employee Benefits changes the definition of short-term and other long-term employee benefits to clarify the distinction between the two. The Club has determined this will not have a material effect on the financial report.

## (c) Reclassification of financial information

Where necessary, comparative financial information has been reclassified to achieve consistency in disclosure with current financial year amounts and other disclosures.

### (d) Going Concern

The financial statements have been prepared on the going concern basis of accounting, which assumes the Club will be able to realise its assets and discharge its liabilities in the ordinary course of business.

The Club recorded an operating loss of \$529,315 for the year ended 31 October 2014 (2013: profit of \$30,836) and has net assets of \$11,681,320 as at 31 October 2014 (2013: net deficiency of assets of \$269,613). The directors believe that it is appropriate to prepare the financial report on a going concern basis because of the continued support of the Australian Football League (AFL). Refer Note 18 for detail of the AFL commitment.

#### (e) Revenue recognition

Revenues are recognised at fair value of the consideration received net of the amount of goods and services tax (GST) payable to the taxation authority. Exchanges of goods or services of the same nature and value without any cash consideration are not recognised as revenues. Exchanges of goods or services that aren't of the same nature are recognised as revenue at the notional fair value of the goods or services.

#### Sales Revenue

Sales revenue comprises revenue earned (net of returns, discounts and allowances) for the provision of products or services to entities outside the Club. Sales revenue is recognised within the period to which it contractually relates or when the fee in respect of services provided is receivable.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2014

## 1. Statement of significant accounting policies (continued)

#### (e) Revenue recognition (continued)

#### Interest Revenue

Interest income is recognised as it accrues, taking into account the effective yield of the financial asset.

#### Grants

Grants that compensate the Club for expenses incurred are recognised as revenue in the income statement on a systematic basis in the same periods in which the expenses are incurred.

## Grants from AFL

The Club has arrangements with the AFL which includes grant income. The Club brings to account grant income based on monthly invoices raised against the annual grant committed by the AFL.

## Marketing Revenue

Marketing revenue is recognised within the period to which it contractually relates or when the fee in respect of services provided is receivable.

## Deferred Income

Deferred income is initially recognised at fair value. Deferred income is recognised in the profit or loss as income on a systematic basis in the same period in which the expenses are recognised or the accounting period to which the income relates to.

### Membership Income

Membership income is recognised in the period to which the membership relates.

## (f) Government Grants

Grants are recognised initially as deferred income at fair value when there is reasonable assurance that they will be received and the Club will comply with the conditions associated with the grant and are then recognised in profit or loss as government grants on a systematic basis over the useful life of the asset. Grants that compensate the Club for expenses incurred are recognised as revenue in the income statement on a systematic basis in the same periods in which the expenses are incurred.

## (g) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The amount of GST recoverable from and payable to, the ATO is included as a current asset and liability in the Statement of Financial Position.

Cash flows are included in the statement of cash flows on a gross basis. The GST components of cash flows arising from investing and financing activities that are recoverable from, or payable to, the ATO are classified as operating cash flows.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2014

## 1. Statement of significant accounting policies (continued)

## (h) Taxation

The Club is exempt from income tax under Section 50-45 of the Income Tax Assessment Act 1997 as amended, as the activities are solely for the promotion, administration and development of Australian Rules Football.

## (i) Acquisition of assets

All assets acquired including property, plant and equipment and intangibles other than goodwill are initially recorded at their cost of acquisition at the date of acquisition, being the fair value of the consideration provided plus incidental costs directly attributable to the acquisition.

Expenditure, including that on internally generated assets other than research and development costs, is only recognised as an asset when the entity controls future economic benefits as a result of the costs incurred, that are probable and can be measured reliably. Costs attributable to feasibility and alternative approach assessments are expensed as incurred.

#### (j) Receivables

Trade and other receivables are stated at their amortised cost less any impairment loss (see accounting policy 1(p)).

The ability to collect debts is assessed at reporting date and specific provisions are made for any doubtful accounts. Where amounts owing are overdue more than one year these amounts are discounted to their present value.

## (k) Property, plant and equipment

#### Owned assets

Items of property, plant and equipment are measured at cost or deemed cost less accumulated depreciation (see below) and impairment losses (see accounting policy 1(p)).

Items of property, plant and equipment received in the form of a contribution from members are recorded at the fair value of the consideration received and subsequently depreciated and tested for impairment.

### Leases assets

Leases of property, plant and equipment under which the Club assume substantially all the risks and benefits of ownership are classified as finance leases. Other leases are classified as operating.

Payments made under operating leases are expensed on a straight line basis over the term of the lease, except where an alternative basis is more representative of the pattern of benefits to be derived from the leased property.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2014

## 1. Statement of significant accounting policies (continued)

## (k) Property, plant and equipment (continued)

#### Depreciation and amortisation

The depreciation rates used for each class of asset, for the current and comparative financial year are as follows:

## Straight line method

Plant and equipment	20%
IT equipment	25% to 33%
Furniture and fittings	10%

## (l) Payables

Liabilities are recognised for amounts to be paid in the future for goods or services received. Trade accounts payable are normally settled within 30 days.

## (m) Contributed equity / retained earnings

The Club is a company limited by guarantee to the extent of \$2.00 for each member. As at 31 October 2014, there was 1 voting member. The Memorandum of Association prevents the distribution of retained profits or payment of dividends to members. Member's contributions are recorded at the fair value of consideration received. During the period the Club's member contributed \$12,480,248 of leasehold improvements to the Club.

### (n) Employee benefits

#### Wages, salaries, annual leave and non-monetary benefits

Liabilities for employee benefits for wages, salaries and annual leave that are expected to be settled within 12 months of the reporting date represent present obligations resulting from employees' services provided to reporting date, calculated at undiscounted amounts based on remuneration wage and salary rates that the entity expects to pay as at reporting date including related on-costs, such as workers compensation insurance and payroll tax.

## Long service leave

The provision for employee benefits to long service leave represents the present value of the estimated future cash outflows to be made resulting from employee's services provided to reporting date.

The provision is calculated using expected future increases in wage and salary rates including related oncosts and expected settlement dates based on turnover history and is discounted using the rates attaching to national government bonds at reporting date which most closely match the terms of maturity of the related liabilities. The unwinding of the discount is treated as long service leave expense.

### Defined Contribution Superannuation fund

Contributions to employee superannuation funds are recognised as an expense as they are incurred.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2014

## 1. Statement of significant accounting policies (continued)

## (o) Financial instruments

#### Interest rate risk

The Club's major financial assets are cash deposits and are set on a floating interest rate basis and non interest bearing receivables.

## Liquidity risk

Liquidity risk is the risk that the Club will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Club's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Club's reputation.

## Foreign exchange risk

The Club is not exposed to any material foreign exchange risk as the Club operates within Australia and all material transactions undertaken are recorded in Australian dollars.

#### Credit risk

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. The credit risk on financial assets, which have been recognised on the balance sheet, approximates the carrying amount. The entity minimises the concentration of credit risk by undertaking transactions with a wide range of sponsors and customers.

## Net fair values

The directors consider that the carrying amount of recognised financial assets and liabilities approximates their net fair values.

## (p) Impairment

The carrying amounts of assets valued on the cost basis are reviewed to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised where the asset's carrying amount exceeds the recoverable amount.

## (q) Inventory

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the first-in first-out principle, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

## (r) Loans and borrowings

Loans and borrowings are initially recognised at fair value less any directly attributable transaction costs. Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method.

# Independent auditor's report to the members of Western Sydney Football Club Limited

## Report on the financial report

We have audited the accompanying financial report of Western Sydney Football Club Limited (the Club), which comprises the statement of financial position as at 31 October 2014, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes 1 to 22 comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

## Directors' responsibility for the financial report

The directors of the Club are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In note 1(a), the directors also state, in accordance with Australian Accounting Standard AASB 101 Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards.

## Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the *Corporations Act 2001* and Australian Accounting Standards, a true and fair view which is consistent with our understanding of the Club's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Corporations Act 2001.

Auditor's opinion

In our opinion:

- (a) the financial report of Western Sydney Football Club Limited is in accordance with the Corporations Act 2001, including:
  - (i) giving a true and fair view of the Club's financial position as at 31 October 2014 and of its performance for the year ended on that date; and
  - (ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.
- (b) the financial report also complies with International Financial Reporting Standards as disclosed in note 1(a).
