FOOTBALL OPERATIONS REPORT

There is never a dull moment and 2014 was again a very busy year for AFL Sydney which again saw increased growth and some great competition amongst the ten divisions. There were some real highlights along the way which put the spotlight firmly on AFL Sydney.

In terms of the team running the competition, 2014 was my second year in the hot seat, and with Scott Burkinshaw coming on as the new Football Operations Coordinator, a much smoother season ensued. Early on in the year David Lawson moved from the AFL Sydney Manager role into the Facilities Manager. While in a slightly different role, Darren Simpson joined AFL NSW/ACT at the start of the season as the State Football Operations Manager where he oversaw the 13 leagues across the state and territory. In another change, Tom Harley was replaced as General Manager of AFL NSW/ACT and was replaced by Craig Bolton making a smooth transition.

The personal highlight for 2014 would have to be the Representative program which saw the men's and an inaugural AFL Sydney Women's team travel to the nations capital over the June long weekend to take on AFL Canberra. Apart from both sides claiming brilliant victories, the enthusiasm and buy in from the players to pull on the AFL Sydney jumper was one I was thrilled to be a part of. The first ever women's side playing under the AFL Sydney banner and their integration with the men's rep program was also a huge step in the right direction.

On the park, the league saw a total of 92 teams again across ten divisions which was slightly up on the previous season. This was made up of 60 senior men's teams, 18 senior women's teams (an increase of 4 from 2013 which would suggest the two division structure was the right move) and 16 Under 19's teams. This included one new club in the Wollondilly Knights who were accepted into the competition having played in AFL South Coast previously.

While divisionalisation does have it's negatives as widely discussed, the main purpose for its introduction was to create more even competitions which was once again very evident this season. There were only two undefeated sides all year (Sydney University in Women's Division One and Southern Power in Women's Division Two) while across the ten competitions we had ten different clubs claim premierships which was great to see. There will always be anomalies along the way however the divisionalisation settling is pretty close now which should only see extremely close competition amongst all divisions into the near future.

There were a couple of significant changes to the league in 2014 which included the Premier Division competition being reduced to 10 teams (from 12) with the relegation to Division One of Illawarra and Balmain while the Under 18's changed to an Under 19 competition in line with recommendations from the AFL Sydney Strategic plan with endorsement from the Strategy Group.

As far as the winners, if anyone thought that Manly-Warringah's fairytale 2013 where they claimed the Premier Division flag in their first season in that division was a fluke, they were going to be sadly mistaken. Once again the Giants (the club underwent a moniker change during the offseason from the Wolves) took all before them to have an even better year losing only one game along the way to back to back flags. The Giants once again pulled off a few brilliant recruiting coups in the offseason to bolster their list as they prepared to defend their title. This included the likes of VFL full forward Brayden Fowler (who subsequently went on to claim the Stan Milton Trophy as the leading goal kicker) along with returning SANFL player James Brain (who claimed the club best & fairest).

Whilst Manly-Warringah were the dominant side of Premier Division, although not too far ahead of Pennant Hills who only lost two home and away games - both to Manly-Warringah, it was again a much more even competition across the board again. The race for the final position in the finals came down to the last home and away game of the season. UNSW/ES appeared to be in the box seat to claim 5th position and end Sydney University's season when they travelled to play then bottom Sydney Hills Eagles at Bruce Purser Reserve. The Eagles had other ideas though on what was a big day of the club with their NEAFL side playing its last match in the competition just prior and upset the Bulldogs to end their hopes and also lift themselves off the bottom of the ladder handing a first Premier Division wooden spoon to the UTS Bats.

Things should be vastly different in 2015 for many of the sides with significant changes on and off the field making the start of the new season a mouth watering prospect.

The Men's Division One was the most affected with the Premier Division team number reduction as both Balmain and Illawarra moved into the competition. And it was the Balmain Tigers (also under their old moniker and back in yellow and black) who would prove to be the clear top side of the competition and claiming a significant premiership over UTS.

The Women's Division One competition was a one way affair as Sydney University claimed back to back premierships without losing a game all season. They were pushed on occasions, in particular in a brilliant Grand Final against UNSW/Eastern Suburbs, but always had what was required to get the win. Below Sydney University however it was a very even competition with all five other sides still in finals contention right up until the last round. The football quality in this division continued to improve which bodes well for the future.

With the addition of four new teams (Gosford, Moorebank, Manly-Warringah and a second UNSW/Eastern Suburbs side) entering Women's Division Two, this became a ten team competition and was the biggest growing area of the league. Southern Power were undefeated Premiers, and they along with runners up Wollongong were streets ahead of the next sides however below these two was very even and the new sides more than held their own throughout the year. With the two Grand Finalists being promoted into Division One in 2015 this should be an extremely competitive competition.

With the change in age groups, the Under 19's competitions saw very similar sides take the park as the previous year which may have suggested the finishing order would be easy to predict. This was far from the case however as 2013 Premiers Pennant Hills failing to make finals with St George claiming the Under 19's Division One flag by defeating North Shore in the decider is what again was a very competitive division. The Dragons victory was a just reward for their impressive work with the local clubs, and in particular the talented players in their region which has set the benchmark for opposition clubs.

With the season completed, the full list of premiers were: Manly-Warringah GIANTS (Premier Division), Balmain Tigers (Men's Division One), Sydney University Students (Men's Division Two), Randwick City Saints (Division Three), UTS Bats (Division Four), Blacktown Magic (Division Five), Sydney University Bombers (Women's Division One), Southern Power (Women's Division Two), St George Dragons (Under 19's Division One) and Western Suburbs Magpies (Under 19 Division Two).

To top off Manly-Warringah's Premier Division flag, the club won the Club Championship for the third successive year. This award is given for on field results of the clubs three highest grades so to won for a third year in our divisionalisation period is a wonderful achievement and shows the consistency and depth of the club. Western Suburbs were the big improvers to finish runners up with Nor-West rounding out the top 3.

Premier Division, Men's Divisions One to Four and the Under 19's competitions all consisted of 18 rounds of football while Division Five was a 17 round competition. The Women's Division One competitions played a 15 round home and away season while the Women's Division two competition played 16 rounds prior to finals.

AFL Sydney was quite fortunate with the weather in 2014. After the first few weeks were slightly effected by Council ground closures due to wet weather, Sydney enjoyed a very dry winter meaning very few matches needed to be rescheduled. While there was some rain early in the finals series, the Grand Finals were played in fine weather.

In the men's divisions, four weeks of finals were required for all competitions excluding the Under 19's competitions which were a three week final series. As in recent years, the Premier Division, Division One and both Under 19's Grand Finals were played together at Blacktown International Sportspark (this year on Saturday 20th September). The Women's Division One, Men's Divisions Two, Three, Four played their Grand Finals on Saturday 13th September also at Blacktown, whilst the Women's Division Two and Men's Division Five Grand Final's were played at BISP on Sunday 7th September.

As always there are plenty of retirements at the end of any season but two stalwarts of note to hang the boots up (from Premier Division at least) were UNSW/Eastern Suburb's Peter Kefalas and Western Suburbs Stephen Hudson. Both were captains of their clubs and served them and the AFL Sydney competition with distinction and we wish them well in the future!

As touched on earlier, the Representative football again played a significant role within AFL Sydney this year. With budget pressures tighter than ever, clubs were advised prior to the start of the season of the importance of buy in from clubs and players to ensure this continued. To say that the buy in was exceptional would be an understatement and I sincerely thank the clubs and players involved for their support. Their support ensured not only a brilliant program but also the relevance of representative footy for years to come.

The 2014 Representative program saw the AFL Sydney senior men's and women's teams take on AFL Canberra on the Saturday of the Queens Birthday Weekend in the ACT. It was extremely pleasing personally to finally get a league representative win and the monkey off the back when the first ever AFL Sydney women's side upset the highly fancied Canberra side by a whopping 32 points while the men topped it off and were clinical in their 67 point demolition of the opposition.

Playing simultaneously, but in Newcastle, the AFL Sydney Under 23 side took on a very strong Black Diamond team and after a blistering start were run down by their taller opposition to go down by 48 points.

The Women's side played a return match against AFL Canberra on Saturday 5th July at BISP where the ACT turned the tables to claim a narrow victory and retain the State of Origin trophy.

After a landmark 2013 year in terms of former AFL Sydney players making AFL lists, 2014 went another step further with a host of AFL Sydney players being picked up during the draft period including Abe Davis, Jack Hiscox (who also broke an AFL Draft combine 3km time trial record), Jeremy Finlayson and Jordan Foote. The work of the Academies in which the players all graduated from cannot be underestimated while all players mentioned above were standouts during the TAC Cup season in which NSW were once again involved in. The four players listed above, and a host of other AFL Sydney young guns were part of the undefeated NSW Under 18 side which won the National Division 2 Championships for a second year running. While he may not have played in our league for a number of years now, the efforts of 2012 Phelan Medallist Dane Rampe to play in an AFL Grand Final this year for the Sydney Swans should not be forgotten.

Once again, players from AFL Sydney clubs had the opportunity to play for the Sydney Swans Reserves and GWS Giants as top up players. Both the Sydney Swans Reserves and GWS Giants present the players with fantastic opportunities and a great insight into their elite environments. The clubs are to be congratulated for supporting the process and, although at times the provision of players was inconvenient, they still managed to support both clubs.

As always the draft fixture for all competitions was issued to clubs just prior to Christmas 2013 utilising the temperamental AFL Software. Prior to the draft draw being finalised clubs were able to make limited fixture requests based on ground availability and preferred home matches and opponents. Once the draft draw was sent to clubs they had the opportunity to request the day and times for their home games. The season commenced on the weekend of 29th / 30th March with the final home and away matches played on the 23rd / 24th August.

As it has been for some years now, with the current team based competition structure, extensive work is required to ensure that club splits were minimised. Whilst this was achieved as much as possible, all clubs at some stage throughout the season had a weekend where their sides were spread far and wide. This certainly puts great strain on each clubs finances, resources and volunteers but I must thank all clubs for their understanding and patience with the current structure.

The Club of the Year program was again in place in 2014 to reward those clubs who achieve administration excellence.

UNSW/ES once again set the benchmark for all clubs in this program. In total this year $25,064 was returned to the clubs under this program.

The Pathway Policy did continue in 2014 with again less issues than previously. Once again there were no appeals in relation to this policy. 2014 however will see the end of this contentious policy which clubs had differing views on.

Umpires were again supplied by the NSWAF Umpires Association under the existing CBA Agreement, and we thank them for their support. 2014 saw the strong relationship between the two parties grow further which is a real positive for all involved. In particular thanks should go to AFL Sydney Head Coach Ashley Thomas, NSW/ACT State Umpiring Manager Graham Glassford and Association President Will McArthur and his committee for their work and support throughout the season.

Due to the large size of the competition the League unfortunately does not have the numbers to provide appointed umpires to each match so once again our dedicated Club Umpires played a key role within AFL Sydney. Club umpire training was conducted by the Umpiring Department, namely Graham Glassford and Carl Fletcher prior to the season commencing. The general feedback regarding the quality of club umpires was encouraging. Until we have an influx of new numbers, this process will continue in years to come.

The Prescribed Penalty System (PPS) continued in 2014. The system meant that players who were reported were given the option of taking a set penalty rather than appearing before the tribunal. The reporting umpire completed a report template which was then assessed and converted into points and subsequently the penalty that the player would be offered under the PPS. There was a slight change to the process this year however with players offered a prescribed penalty receiving a 25% discount if they plead guilty. This change naturally saw a decrease in players contesting the charge at the tribunal however the number of reportable offences remained steady (99 down from 101 in 2013). A full breakdown of stats can be found within the Annual Report.

The independent tribunal panel saw slightly less cases at the tribunal, most likely due to the early discount offered. There was one high profile case which gained some media spotlight which was disappointing. The panel who voluntarily sit remained the same as in previous years and I thank them, led by Chairman Brian Langton for their efforts.

A number of breach notices were issued for "Possible Breaches of the By-Laws". These included playing ineligible players and match day management issues.

After a quiet 2013, this year was slightly busier for the AFL NSW/ACT Appeals Committee with AFL Sydney required to use the panel on a couple of occasions. The first appeal was upheld and referred back to the independent tribunal for re-hearing while the second appeal was dismissed.

The 2014 Phelan Medal Presentation Dinner was once again the off-field highlight of the year, with a record 600-plus people attending the gala event at Doltone House, Pyrmont. It was a great way to end the season for all those involved and congratulations to all award winners. In particular, Alex Goodall from Pennant Hills who claimed his first Phelan Medal after polling well in recent years. This individual honour capped off a fine season for Goodall who was also named the Representative Player of the Year and received the Howarth Trophy. After opening up a big and seemingly unassailable lead early, Manly-Warringah's Connor Pettersson stormed home late in the year but in the end fell 4 votes short thanks to a best on ground performance from Goodall in the final round.

Stephanie Walker of Sydney University also capped off a fine year by claiming the top honour in the Women's Division One competition to go along with representative selection and a second premiership medal just 5 days later.

Fittingly, Ian Wright of Macquarie University received Life Membership for his service to the game in Sydney as a player and official (both club and league) while Campbelltown's Russell Matheson and St George's Geoff Green were inducted into the Hall of Fame thanks to their great careers.

Media exposure was increased in 2014 which is always a difficult task in the Sydney market. The extra exposure was certainly assisted in a number of areas, one of which was the inaugural season of 'The Recruit' an Australian wide AFL reality TV show screened on Fox 8 searching for

elite players where the final contestant was awarded an AFL contract. After some rigorous trials the contestants were cut to just 13 and AFL Sydney had two of these in James Brackin from Macquarie University and Tyrone Armitage from Manly-Warringah. While neither player progressed to the end, their involvement sparked great interest in the league.

AFL Sydney is well represented in the regional papers while once again in the National papers our scores are included each Monday. We are also very grateful to the Daily Telegraph who once again printed the Premier Division teams in Saturday's edition as well the Premier Division Goal Kickers and Best Players and all our Division scores in Monday's paper.

The AFL Sydney website was again the main source of information for the AFL Sydney competition. With at least one new article every day on the website during the season, it acts as a great tool for any league relevant information. A few new initiatives were run in 2014 including a Top 20 current AFL Sydney player countdown as well as a look at the lighter side of happenings in the league in the form of Danny's Diatribe. Linked in with our social media platforms, these proved a huge hit with massive viewer numbers and discussion among the community.

2014 also saw a concerted effort by the AFL Sydney team to increase the interaction on social media in particular and this certainly eventuated with great engagement from the wider AFL Sydney community. This led to a significant boost in followers across the Facebook (1186 to over 2000) and Twitter (900 to over 1300) social media platforms.

The AFL Sydney Football Record was once again published for all home and away rounds and finals weeks. After being cut back in 2013, the aim was to increase content again in 2014. We thank all clubs for their contributions along with the NSW AFL History Committee for their input and I would like to acknowledge the work completed by Scott Burkinshaw to pull it together on a weekly basis.

Once again we were fortunate enough to have the AFL Sydney Match of the Week streamed live through the AFL Sydney YouTube channel. This service was again provided by Craig Abercrombie and Digital Sports and continued to be cutting edge with the introduction of some great features. A big thank you goes to Craig for the quality productions of the Match of the Week, the Phelan Medal and the finals series.

All in all it was another extremely busy but very successful AFL Sydney season and I would like to particular thank my right hand man Scott Burkinshaw for the mountain of work he has done to make my job so much easier and continue to set the league apart from others. I would like to also acknowledge the dedicated staff of AFL NSW/ACT and volunteers who's hard work and dedication to contribute to another successful year, namely Darren Simpson, Luke Turner, Taleah Neowhouse, Craig Bolton, Bob Robinson, Graham Glassford and the Umpiring Group, Club Presidents and their committees along with the AFL NSW/ACT Management Team and AFL Sydney Tribunal.

Already the wheels are in motion for the 2015 season with significant changes confirmed which I look forward to being involved in once again.

SPONSORSHIP/APPROVED SUPPLIERS

AFL NSW/ACT was again the major contributor to the funding of the AFL Sydney competition.

As part of the AFL NSW/ACT Licence Agreements, AFL Sydney was able to benefit by way of assistance for resources such as Footballs, Representative gear and medical supplies. Clubs were able to benefit by way of cheaper prices due to the AFL's buying power.

In 2014 AFL NSW/ACT continued more cost effective process for ordering footballs via a centralised ordering system. Rather than each club sourcing their own Sherrin footballs they could now place an order with the AFL who would then in turn place a bulk order with Sherrin and arrange for distribution of the footballs.

In 2014 the Approved Suppliers were:

Apparel:
- Aceit, Canterbury, Powerplay, JSsports, Star Athletic, BLK

Football:
- Sherrin

Medical:
- Victor

Sports Supplies:
- Hart Sport, PILA

Drinks
- Coca-Cola

Compression Garments:

Annual Report – Sydney AFL Umpiring Group

The 2014 season saw the development of our young umpires within the AFL Sydney Umpiring Group across all three disciplines which will provide a great base for the continued growth and increased quality of the umpires within the group.

The number of field umpires used in 2014 rose by 26, however 21 umpires within the group umpired 5 games or less for the year. The challenge for football is to try and engage them for longer during the season. The pleasing part of having increased numbers was that 90% of Women's' Div 1 games had an appointed Field umpire, with all Premier, Division One, Division Two and Under 19 Division 1 games all having appointed Field umpires.

	2010	2011	2012	2013	2014
Field	72	66	56	57	83
Boundary	27	26	24	19	30
Goal	25	17	28	31	35
Juniors *					108

Junior Umpires from the Greater Sydney Juniors again provide great assistance by filling many of the Boundary and Goal umpire appointments. This is a terrific vehicle to provide a link between juniors and seniors and is an integral part of a young umpire's pathway. With juniors being involved it has also provided an opportunity for parents to become involved and this season four of the parents umpired with their son/daughter.

The number of Club Field umpires that registered online in 2014 is down from the previous year; meanwhile there was an increase in the number of club umpires that gained their Club Umpire Accreditation. This year three workshops were conducted alongside the accreditation module.

Some major milestones were reached during the season. Goal Umpire Ken Ray umpired his 500th Premier Division game and 750 total AFL Sydney games, Boundary Umpire Les Gonye notched up 300 Premier Division games. Glen Callaghan reached the amazing milestones of 400 total games umpired in the AFL Sydney competitions.

Representative Appointments for 2014 were:-

AFL Sydney vs. AFL Canberra Men's
Field: Andrew Rutherford
Boundary: Matthew Hodgson
Goal: John Curran
AFL Sydney vs. AFL Canberra Women's
Field: Blake Langer, Jack Pulo
Boundary: Julian Frey, John Trieu
Goal: Taylah Cooke, Cathy Garroway
AFL Sydney Development v Black Diamond AFL
Field: Aden Kittel
Boundary: Liam Doyle
Goal: Alex Chisholm

Sydney Umpires are well represented on the NEAFL Umpires Panel. Seven Goal umpires, 11 Boundary and 12 Field umpires were selected to games in 2014.

At the NSWAFUA Presentation Dinner the following awards were presented to AFL Sydney Umpires:
Field Umpire of the Year: Carl Fletcher
Boundary Umpire of the Year: Fahri Ozturk

Goal Umpire of the Year: Alex Chisholm
Best First Year Umpire: Jed Wesley-Smith (F)

Training for the Sydney group was split between two venues, North Sydney Oval on Tuesday nights and Blacktown International Sports Park on Thursday's. This provides umpires that work/reside in huge metropolitan area of Sydney a choice. The Western Sydney venue continues to increase its numbers and provides a central point for umpire development in the west.

Unfortunately our coaching personnel were down from previous years which meant that the small group of coaches were spread very thinly across the competition. The coaches as listed below provided a remarkable service to the umpiring group. Their hard work and dedication to football is certainly appreciated by everybody.

REPRESENTATIVE FOOTBALL

The 2014 Men's AFL Sydney Representative program was similar to previous years with both the Senior side and Under 23s side playing against quality opposition. The Seniors travelled down to the ACT to face AFL Canberra at Manuka Oval on the Saturday of the June Long Weekend while the Under 23s Team travelled to Newcastle to take on the strong Black Diamond AFL the same day. For the first time, an AFL Sydney women's representative team was selected to take on AFL Canberra women's team in a two match series.

At the start of the 2014 season the coaching and support staff positions for both the Senior and Under 23s teams were advertised to the AFL Sydney community. Following receipt of applications Roger Moten was appointed as the Senior coach while Chris Hughes was reappointed as coach of the Under 23s side after two successful years in charge. Dean Connors was announced coach of the women's team after all coach interviews were conducted.

Roger Moten was ably assisted by Chris Yard, Terry Mudge, Tony Overall and Krissie Steen while Chris Hughes was assisted by Mark Maher, Daniel Lynch and Tracey Kick. Matthew Graham acted as the Senior Team Manager with Scott Burkinshaw acting as the Under 23's Team Manager. The full coaching panel for both squads along with Matthew Graham were involved in the selection process. Dean Connors was assisted by Daniel Ranson, Krissie Steen and Simon Berry.

A representative of the selection panel attended many of the Premier Division, Divisions One and Two games as well as numerous women's matches in the lead up to selection and players were advised of their selection by phone and also a follow up email. From the original squad there were a number of players who withdrew during the representative program for varying reasons.

The senior squad trained a total of five times with training at Henson Park with once session being held at the GWS Giants training base at Tom Wills Oval. The Under 23s Squad trained four times during the program with three sessions at Henson Park and one session at Tom Wills Oval. The women squad trained on Sundays with a squad of about 60 training in the the first two weeks before the squad was trimmed to around 35. During the program there were four sessions run with all being conducted at Blacktown International Sportspark. Each training session was attended by two of James Sutherland from Balmain Physiotherpaists staff to ensure that all injuries and ailments were well managed which was very much appreciated by the players. The

All players and officials were required to wear their team shirt, black dress pants and black shoes to their game. This requirement was completed without exception and presented a positive image once again for AFL Sydney.

The Senior men's and women's sides departed Saturday morning to compete that day and stayed at the Tradies that Saturday night. Both sides returned back to Sydney by coach on the Sunday morning. The Under 23s Squad travelled to Newcastle by coach which departed on the Saturday morning of the long weekend and returned home that night.

All players from both teams were also provided with a large selection of food and drink for lunch at the ground prior to their match.

Follwoing both matches in Canberra, there was a small presentation where finger food was provided and best on ground medals were handed out.

Folowing the Under 23s game, a presentation was held at Newcastle No. 1 Sportsground were the best on ground trophies were handed out as well as the championship shield. After the presentations the Under 23s boarded he bus back to Sydney.

A big thanks must go to the coaching and support staff, in particular coaches Roger Moten and Chris Hughes as well James Sutherland and his team for assisting in making the representative program for 2014 a huge success.

Seniors Match Report

The AFL Sydney Senior side played against AFL Canberra at Star Track Oval, Manuka on Saturday evening. Last time these two teams met, AFL Sydney came away with the win and were looking to repeat the dose but Canberra had other ideas, with the boys from down south kicking the first goal of the game. AFL Canberra were up and about but that would soon end when AFL Sydney star forward Brayden Fowler introduced himself into the game. Fowler ran rings around his opponent kicking four first quarter goals to open up a 28 point lead at the first break.

The second quarter was a tight contest with neither side able to grab any control of the game. It took until the 19th minute mark of the quarter for a goal to be scored and it would be that man again down forward, Fowler, who would kick his fifth to extend the AFL Sydney lead. At the main break, AFL Sydney had opened up a commanding 46 point lead.

The third quarter was much of the same with AFL Sydney controlling the ball all over the ground with Alex Goodall and Alexander Wynn winning plenty of disposals and sending the ball inside fifty multiple times. Fowler was again dominating the forward fifty making it his own, kicking another three for the quarter and bringing his total to 8. The lead had blown out to 65 points when the three quarter time siren sounded.

The fourth quarter was a goal for goal affair with Canberra adding some respectability to the score. Three goals apiece in the last saw the margin finish at 14.21 (105) to 5.7 (37).

Fowler finished with 8 goals for the match and was voted best on ground with Goodall, Wynn and Anthony Robertson supporting him well. For Canberra, Sean Wilkinson, Joseph Hancock and Lucas O'Neill tried hard all day.

Under 23s Squad Match Report

Black Diamond AFL have come back from a slow start to defeat the AFL Sydney Under 23's by 48 points at Newcastle.

With the sun shining and the ground looking fantastic, it was perfect conditions for representative football. After trailing at quarter time, Black Diamond controlled most of the play to run out eventual winners 17.11 to 10.5.

The boys from Sydney started the game on fire, kicking the first five goals of the quarter, with their quick ball movement and run out of defence being on full display and went into the first break with a 23 point lead.

Kicking with the wind in the second quarter, Black Diamond fought back hard winning more of the ball around the ground and giving their forwards quality service. Tom Head was looking very dangerous for the Black Diamond side marking everything coming his way and having multiple shots on goal. At half time. the AFL Sydney margin had been reduced to 8 points.

The Sydney boys were looking to increase their lead while kicking with the wind in the third quarter. Ten minutes pasted without a goal being scored with both teams applying plenty of pressure to the ball handler and locking the ball in for numerous stoppages. It wasn't until Mitch Betson took a contested mark for the Black Diamond side and slotted it from 45 out that the game opened up with the Black Diamond team kicking the next four goals whilst keeping the Sydney boys to 2 points in the quarter and open up a 21 point lead.

Both coaches pleaded to their players for one last big effort to will their side over the line. Black Diamond kicked the first goal of the quarter before Matt Young and Levi Sands kicked consecutive for Sydney, closed the margin to 15 points but that was the closest they got, with Black Diamond kicking the next five goals to run out winners.

Head finished with four goals and best on ground honours whilst Jacob Daws was an imposing force in the ruck giving his midfielders in James Webster and Simon O'Brien. Skipper Liam Gibson and Andrew Willmot provided run and carry around the ground.

For the Sydney side. Harry Green was brilliant all day diving into packs winning the hard ball as well as delivering to the forwards and was awarded the best player for Sydney. Nathan Bosschieter, David Johnson and Josh Cass provided run out of the backline whilst Matt Lemme did his best to control the key forwards for the Black Diamond. Evan Smith provided a strong target all day and finished with two goals.

Thank you to all players and officials who put in the hard work for the representaitve program.

Women's Game 1 Match Report

The first ever AFL Sydney Women's Representative side competed against AFL Canberra Women's team to see which was the best side in NSW/ACT.

Both sides were desperate to get the win and to take a 1-0 lead in the best of 2 game series.

AFL Sydney came out on fire, combining well and kicking the first goal of the match through Steph Walker. AFL Sydney continued to apply the pressure to the Canberra side, finally breaking the defence and setting up two quick goals to Hannah McIntosh to take a 18 point lead into the first break.

The second quarter was all about defence with neither side able to get the ball through the big sticks but Sydney were still able to extend their lead to 19 points heading into the main change. The Canberra Women were wanting to start the third quarter off well and did so with Jessica Sibley kicking a goal with 25 seconds. However, Sydney responded well with the next four goals including McIntosh's third to open up a match winning lead of 38 points at the last change.

AFL Sydney would be held goalless in the last but that wouldn't matter with the harbour city claiming a 7.6 (48) to 2.4 (16) win over AFL Canberra.

Steph Walker was lively up forward and was awarded the best on ground from the umpires while Maddy Collier was hard into every contest and awarded best on ground from the opposition. Kathryn Hull and Codie Briggs also dominated their opponents in the win.

Game 2 Match Report

AFL Sydney Women's team and AFL Canberra Women's team went head to head in Game 2 of the Women's State of Origin series on Saturday afternoon at Blacktown International Sports Park

In a tightly fought contest, the Canberra Women managed to maintain the lead throughout the match and claimed victory 3.7-25 to 3.4-22, retaining the trophy for the second year.

Canberra controlled the match early taking a small lead into the first break. Canberra once again dominated the play at the beginning of the second quarter however the Sydney team fought hard, kicking two goals, both from Michaela Ekman, to only trail by three points at the main break.

The third quarter was all Sydney as they applied plenty of pressure around the ground and gathered more ball over the ground. A Sasha Banki goal put the Sydney-siders in front by 2 points heading into the last quarter. A tight quarter was only decided by Canberra kicking a goal to give them the lead which they wouldn't give up for the rest of the match.

2014 PHELAN MEDALLIST

Pennant Hills midfielder, Alex Goodall has claimed the highest individual honour in AFL Sydney- the Phelan Medal- at a gala ceremony last Monday night.

Goodall was named best on ground by the umpires on a remarkable eight occasions on his way to a total of 28 votes to record a comfortable four-vote win from Manly-Warringah midfielder, Connor Pettersson. Selby Lee-Steere of North Shore rounded out the top three on 19 votes.

Affectionately known as "Cheese," Goodall has been a long term member of the Demons midfield, notching over 100 senior games, and has built his reputation on a great defensive, close checking focus.

A no-fuss, tough as they come midfielder, it is hard to miss Goodall not only for his stocky frame and red hair, but also for the fact he is often at the bottom of every pack. Like Simon Black, he has great vision with both hand and foot in traffic.

A perennial member of the representative arena for the past three seasons, where for the second year running the coaching staff named him as best afield in AFL Sydney's big win over AFL Canberra in June (to go with his best on ground against AFL Cairns last year).

He was named as Number 2 in the AFL Sydney's Top 20 players and has been named in the AFL Sydney Team of the Year in 2012, 2013 and 2014. He was named Pennant Hills Best and Fairest in 2012- the year he recorded his previous best Phelan Medal result; fourth behind current Sydney Swan, Dane Rampe on 15 votes.

Goodall was arguably the Demons' best player in 2013 and his absence from their Grand Final loss to Manly-Warringah last season could well have been the difference.

'Cheese's' ability to perform on the big stage is unquestioned and he will be a vital player for the Demon's chances as they look for redemption in Saturday's Grand Final rematch against Manly-Warringah.

AFL SYDNEY VOLUNTEER OF THE YEAR

Greg Corless from Penrith is the winner of the Ken Ferguson Award as the 2014 AFL Sydney Volunteer of the Year.

Greg is the Senior Operations Manager for the Penrith Australian Football Club. He has been in this role for the past 5 years. In addition Greg has also undertaken other roles, usually concurrently, which include Ground Manager, Canteen manager, Purchasing officer, Webpage/Facebook maintainer, Publicity officer and Planning and Development officer.

Greg is the type of volunteer every club wishes they had. Nothing is too much trouble and the amount of work he puts into the club is astounding. With the club fielding five teams for the past few years – training has had to be spread over four nights.

Greg attends every training night unless he is at a club or AFL Sydney meeting. Home games are usually spread over both Saturday and Sunday and Greg is the first there to set up and still there to pack up at the end of the day. Greg would easily spend 30 - 40 hours every week undertaking football club duties.

His commitment to the club means there are often times when he does not get to watch his son or daughter play their own games. Most times he is usually at another venue supporting whichever team needs help the most. The Penrith club has enjoyed tremendous success in the past five seasons and this is largely due to the dedication, commitment and tireless work of Greg Corless. Greg is quite simply the hardest working person within the Penrith club.

The Penrith club is extremely appreciative of Greg's commitment, enthusiasm and drive.

HALL OF FAME

In 2003, AFL Sydney established a Players' Hall of Fame. Nominees are judged by the selection committee to have made an outstanding contribution to the AFL Sydney competition.

The Hall of Fame is principally for players with the following criterion used in the selection of inductees:

- Level of service and overall contribution to the game
- The number of playing years is a consideration but not the sole determining factor in assessing a person's eligibility
- A player may only be eligible to be inducted as a Hall of Fame member once they have been retired from playing for a minimum period of three years
- Only those who have played in a senior competition in Sydney are eligible.

In 2014, two new members were inducted in to the AFL Sydney Players' Hall of Fame:

Russell Matheson

Russell Matheson has a decorated history within AFL Sydney. A Holdsworthy junior, Matheson joined the senior ranks in 1977, playing with Campbelltown, Pennant Hills and Southern Districts for over 250 senior games.
Predominately on the halfback flank and in the midfield, Matheson was part of four senior premierships with Campbelltown in 86, 87, 88 and 89, all as Captain Coach.
Impressively, in his nine years as coach of Campbelltown, his side made finals every year between 1984 and 1992 which also included one runners up finish.
Matheson returned to coach Campbelltown in 1996 when the club became part of the ACTAFL following their domination of Sydney football.
Russell had a decorated representative career with twelve games for the state side in the 1980's. He was also a NSW State side selector from 1985 to 1988.
He is also a Life Member of the Campbelltown AFC

Geoffrey Green

Geoffrey Green boasts a long career with St George AFC playing 328 over 18 years.
Playing as a rover, Geoff was a renowned goal sneak averaging over a goal a game over his 328 game career.
A regular in the top 10 of Phelan Medal voting, his best finish was in 1968 when he finished runner up to Southern Districts Graham Hodge.
At Club level Geoff won the Club Best & Fairest in 1961 to go with his Most Consistent Awards in 59, 60, 62, 67 and 68.
Geoff was part of the 1964 Premiership team and captained the senior side between 1967 and 1970 as well as 1972 while coaching the First Grade team in 1968 and 1969.
Also a State and League representative, Geoff played 5 games for NSW from 1961 as well as representing Sydney in 7 matches also from 1961
Geoff Green was highly rated by all sides in SFL by the likes of Sydney Legends , "Bomber "Browne, Col Harris, Ken Ward; Peter Taylor; Don McKenna, Noel Reading and Dale Dalton

AFL SYDNEY LIFE MEMBERSHIP

Life Membership is the highest honour that can be bestowed on an individual and is recognition of that person's contribution to football in Sydney.

In 2014, one individual was awarded AFL Sydney Life Membership:

Ian Wright
Ian was introduced to Australian football when he watched the 1966 Grand Final between St George and Western Suburbs at Trumper Park. From there he was hooked and has had a continuous relationship with the game in Sydney ever since.

He started to play junior football with Ermington United Under 15s, a club which played in the Balmain Junior Competition.

It was in 1975 that he began his involvement with Macquarie Uni AFC first as a player, and from there a committee member, or volunteer for 39 years. He played 101 games for the club between 1975 and 1992, nearly all games in the then 2nd Division Reserve Grade competition. Ian's activities were and still are:-

- He has held every administrative position and operational within Macquarie Uni Football Club, except President - although he says, he did assume the President's role one time when the incumbent was overseas.

- Macquarie Uni FC's time keeper for all home games which often involves four games on each day. He also usually undertakes timekeeping for most of the club's away games.

- AFL Sydney Finals & Representative Football timekeeping

- He was a founding Committee member of the NSW Australian Football History Society where he is still involved and was formerly the Secretary and the Treasurer.

- Involved with the NSWAFL Umpires Association as a Goal Umpire for fours years and in that time was Assistant Secretary of the Umpires Association for two years and Secretary for one

FINALS

Premier Division Finals

Once again 2014 saw the Premier Division Finals consist of the top five finishers following the home and away season.

Blacktown ISP was the venue for the Qualifying Final, Elimination Final, Preliminary Finals and Grand Finals but due to its unavailability at times Henson Park was used as the Second venue playing host to the 2nd Semi Finals and the 1st Semi Finals.

The venues were in excellent condition for the finals and players, officials and spectators all appreciated the excellent facilities available at the venues.

Catering for the AFL Sydney finals is allocated on a rotating basis and in 2014 it was UNSW/ES turn to undertake the task. They paid a catering levy to the League of $2,000. I am certain that the club would have benefited greatly from this arrangement which would be a just reward for the effort they put in.

North Shore were appointed the gatekeeping duties and they completed this task with great diligence. The club received 12.5% of the gate keeping proceeds.

The admission charge for all finals was unchanged at $10 for adults whilst entry for children Under 16 remained free with each participating team (including umpires) receiving 35 player/official entry passes. Football Records were given away for free. Parking was free at all venues.

The finals were well supported with good crowds at all finals. The Grand Final Day was attended by in approximately 2,000 people. The atmosphere in the crowd was fantastic throughout the day with five clubs represented.

The weather for all finals was excellent with sun a constant feature.

BISP was in excellent condition for the Grand Finals and players, officials and spectators all appreciated the excellent facilities available at the venue. The ground staff at Blacktown Venue Management provided great support during the finals and we thank them for that.

For the Grand Final the AFL (NSW/ACT) logo, along with the logo of the two competing teams was painted onto the playing surface. This was well received and added to the presentation of the day.

The Premiers in each grade were presented with individual player medallions and the Premiership Cup on a stage on the ground in front of the grandstand. The presentations were completed with the assistance of a person nominated by the Premiership winning club. A presentation was also made to the player adjudged by the Digital Sports Commentators as "Best on Ground". In the Premier Division, Anthony Robertson received the Rod Podbury Medal off AFL NSW/ACT State Football Operations Manager, Darren Simpson.

The Lower Division Finals and Women's Division Two Finals consisted of the top five sides at the end of the Home and Away season. The Women's Division Finals it was the top four sides.

Four venues were used for the Lower Divisions in 2014; Blacktown ISP No. 2 for the Qualifying and Elimination Finals for Division Five and Women's Division Two. Henson Park for Second Semi, First Semi for Division's Two, Three and Four and Preliminary Final for Division Five and Women's Division Two. Apart from the first day of finals where games had to be transferred from Blacktown ISP to Blacktown ISP No. 2, the weather conditions were fine although some wind for the players and spectators to contend with.

The catering was undertaken by Camden who was charged a levy of $2,000. The Club did an excellent job in ensuring that those who attended the Lower Division finals were well fed and did not go thirsty.

Penrith was appointed the gatekeeping duties and they completed this task with great diligence. The club received 12.5% of the gate keeping proceeds.

The admission charge for the Lower Division Finals remained at $10 for adults with children Under 16s, for all finals free. Each participating team (including umpires) received 35 player/official entry passes per team. Football Records were given away for free. Parking was free at all venues.

The finals were well supported with good crowds at all finals. The Grand Final Day was well attended with in excess 1,000 people in attendance. The atmosphere in the grandstand during the day was fantastic as supporters provided excellent encouragement for their teams, in particular the large number of supporters for the Division Two Grand Final, in particular the Sydney University supporters, provided a great atmosphere.

The Premiers in each grade were presented with individual player medallions and the Premiership Cup on the ground in front of the grandstand. The presentations were completed with the assistance of the President of the Premiership winning team. A presentation was also made to the player adjudged by the 'Digital Sports' commentators as "Best on Ground".

GRAND FINAL PHOTOS

CLUB OF THE YEAR PROGRAM

The Club of the Year incentive scheme was continued in 2014 to give clubs the opportunity to receive financial rewards for achieving excellence for off field administrative tasks. These tasks included provision of financial information, attendance at meetings and match day duties.

Points were allotted for each task, each worth $0.50 to the club.

Each week points were calculated and clubs issued with a statement.

At the end of the season, clubs were paid the amount which they earned. If a club finished with a negative amount they would be required to pay this amount.

Of the 31 clubs in 2014, 28 clubs were eligible to receive a payment with UNSW/ES Bulldogs once again the club who received the highest rebate.

The incentive scheme is an excellent initiative that saw $25,064 returned to the clubs in 2014.

DIGITAL SPORTS COVERAGE

Our broadcast partner, Digital Sports provided live streaming of one weekly Premier Division Match, including all Grand Finals on www.digitalsports.com.au. This platform is integral to showcasing the talent on display in the local competition to a wide audience. A huge thank you must be extended to Craig Abercrombie and his team at Digital Sports for their continued support.

Digital Sports should be commended on the quality of the production and presentation and it is hoped that this exposure will continue in years to come.

THE FOOTBALL RECORD

Prior to the season clubs were asked if they would like the hardcopy of the Record continued and the overwhelming response was yes so the production of a weekly Football Record continued in 2014.

With reduced resources in 2013 the Record information was cut back slightly. The Record also saw a standard cover issued each week except for certain themed rounds where specific artwork was put together for weekends such as Indigenous Round, Women's Round and Multicultural Round. In 2014, images of games was reintroduced onto the cover of the record with photos from parents and spectators used. Themed rounds such as Indigenous Round, Women's Round, Umpiring is Everyone's Business Round and Multicultural Round got their own specific artwork for the round.

At the beginning of the season clubs were asked if they wanted to receive Football Records during the year. It was pleasing that all clubs opted to receive copies. Once again Clubs were not required to contribute notes each week.

Clubs were levied $1 per record, but were able to sell these on matchday should they wish however most opted to make them free of charge.

The publication was compiled and edited by the Football Operations Department, in particular Scott Burkinshaw. The softcopy was then sent to MMB Printing who would print and return to the Moore Park office by Thursday morning each week. From there they would be Express Posted to each club who had their first grade playing at home that weekend.

The season's records have again be bound and kept as part of the leagues historical records.

Regular articles included Those Were the Days, which was received from the historical society, Team of the Week and player profiles returned after not featuring last year. A review of the previous round was also added to the the record which was written by Michael Shillito.

Whilst there is a reasonable effort in publishing the Football Record the end result is a tremendous vehicle for the league and clubs to push their cause and a wonderful effort for those concerned in its publication.

It is expected that 2015 will see more content added tot he Record.

PHOTOGRAPHY

AFL Sydney contracted the service Michael Vettas Photography to take photos of Grand Finals.

He also displayed photos on the photo gallery on the AFL Sydney website as well as at www.saflphotos.com.au . The photos were also available for purchase.

Divisionalisation

Divisionalisation was introduced in 2009 in an attempt to obtain more competitive competition across all grades.

This meant that the competitions became team based as opposed to club based.
