2015 SANFL ANNUAL REPORT

2015: A YEAR IN REVIEW

It is a truth in business that achieving a successful first year in any new venture is hard – but replicating the result in the second year is even harder.

Success does not repeat itself by accident, and too many businesses have faltered after the glow of the 'honeymoon period' has worn off.

Therefore, it was particularly pleasing that the second year of the SANFL's joint venture with SACA at Adelaide Oval saw a consolidation of the achievements of the first, while a number of significant new events added to the lustre of the venue's reputation for event management excellence and outstanding patron experience.

These included:

- Four matches of the 2015 ICC Cricket World Cup, including the India versus Pakistan match that attracted an international television audience of more than one billion;
- Liverpool and Adelaide United playing in front of 53,000;
- Rock and roll legends AC/DC playing to a sold-out crowd of 50,000;
- The first day-night cricket Test Match to be staged anywhere in the world, with millions tuning in across the globe to see New Zealand take on Australia; and
- Nitro Circus, which saw the turf transformed into a stage for action-packed racing and motorised stunts in front of a record Australian crowd of 25,000.

The 2015 year also saw the launch of RoofClimb Adelaide Oval, which will provide thrill-seekers the opportunity to traverse the stadium's iconic rooflines.

However, football continued to be the biggest contributor to the success of Adelaide Oval by far, with one million fans attending throughout the season. For the SANFL, this culminated in West Adelaide's first Premiership in 32 years against the Eagles.

While additional events are critical to enable the Adelaide Oval Stadium Management Authority fund the ongoing operations of the Oval, football and cricket are the primary drivers of revenues, with football contributing the lion's share.

The sale of the AAMI Stadium precinct and the commencement of payments to SANFL enabled the Commission to announce additional game development grants for debt reduction totalling $16 million over seven years.

The eight SANFL clubs – Central District, Glenelg, North Adelaide, Norwood, South Adelaide, Sturt, West Adelaide and Woodville-West Torrens – will each receive an additional $2 million in debt reduction grants between 2016 and 2022 inclusive.

The clubs will receive staggered payments subject to conditions that include extinguishing any outstanding tax or employee superannuation commitments and reducing both secured and unsecured debt. Only once a club has paid its outstanding debts can it commit any of the funds to savings, and it must do so by investing in such a way as to preserve the capital amount.

From 2022, SANFL will then be able to commence contributions to a future fund for South Australian football which will further underpin its financial security.

Football's on-field indicators continued to be strong in 2015 with four South Australians named in the Under 18 All-Australian team, while 11 locally-grown footballers were selected in the AFL Draft held in Adelaide in November – a credit not only to the players but also to the SANFL's talent development teams.
South Australia had five rookies chosen in the AFL Rookie Draft, with two - West Adelaide's Tom Keough and Will Snelling - selected in the top 10.

Our game development programs across indigenous, multicultural and women's football continued to deliver outstanding results, as did our umpire and coaching programs.

While we continued to look to the future, we were also fortunate to be able to pause and reflect on the achievements of the past, with another two greats of our game – Russell Ebert and Malcolm Blight – being honoured with bronze sculptures at Adelaide Oval. The unveiling ceremonies were great events and a reminder that it is as much the personalities of these SANFL heroes that have shaped our game as it is their skills.

And so we set ourselves for another year of opportunities and challenges across our game. The growth in the pace of the on-field product continues to be relentless; this must – and will – continue to be matched by SANFL's off-field management and development.

FINANCIAL PERFORMANCE

The performance of Adelaide Oval continued to drive revenues for all stakeholders through 2015, a fact noted in the annual reports of both the Adelaide and Port Adelaide football clubs.

Through an ongoing vigilant approach to SANFL expenditure and continued hard work by its executive, SANFL generated positive net cash flow from operations of in excess of $2.5 million.

While the trading result was a statutory net loss of $1.77 million, this was largely due to depreciation and an impairment write-down of AAMI Stadium assets as part of the ongoing redevelopment process.

Revenues from operations at Adelaide Oval and AAMI Stadium sale proceeds enabled SANFL to lower its debt profile by more than $11 million in 2015, with the interest savings and other cost reductions funding attendance incentives of $1.9 million to the two AFL clubs.

SANFL's performance through 2015 also enabled it to provide a loan to AOSMA of $625,000 to enable it to undertake income generating capital expenditure projects.

2015: A YEAR IN REVIEW

HEALTH OF THE GAME

While financial numbers are important, they are not the primary indicators by which we measure our success and, again in 2015, there were a number of significant highlights across our business that underpinned our commitment to grow and develop the game across the State.

These achievements included:

- Increased overall participation, with more than 142,000 participants in 2015;
- For the first time, participation in Auskick exceeded 8,000 participants, including 1,000 girls – a great advertisement for our inclusive programs;
- SANFL was selected by the Australian Sports Commission to deliver a pilot program in schools, and our teams delivered training to almost 3,000 participants across 33 primary schools in just half a year;
- The inaugural U14 and U16 girls competitions attracted more than 250 new players into a female talent pathway; and
- More than 550 coaches went through SANFL's Level One programs.

Our Active Education Program achieved great outcomes for Indigenous education and employment outcomes on the APY lands.

South Australia was well represented in the Under 18 All-Australian team with attacking half-back Riley Bonner selected in the defenders group, Luke Partington in the midfield, Aaron Francis chosen as a forward while SA captain Will Snelling was named on the interchange bench.

Our reputation as one of the nation's great talent pools was further enhanced, with 11 South Australians chosen in the AFL National Draft with five being named in the top 30.

AAMI STADIUM

SANFL ground staff continued to maintain AAMI Stadium's playing surface and facilities to AFL standard in its ongoing role as the home of the Adelaide Football Club.

Outside of this, the decommissioning of the rest of the precinct is following a staged process, with the lights likely to be removed in 2016.

Proceeds from the sale of the first stage of land enabled SANFL to reduce its borrowings by $11.2 million to $22.9 million and to commit to increased game development payments to SANFL clubs to assist them in extinguishing debt.

SANFL IGA LEAGUE

The 2015 SANFL IGA League was again a closely-contested battle throughout the year, culminating with West Adelaide's first flag since 1983 with victory over Woodville-West Torrens in the Grand Final in front of more than 25,000 at Adelaide Oval.

Joel Cross won his second Magarey Medal in three years, taking out the award with 25 votes while our SANFL State team put in a creditable performance against Western Australia in Perth.

The Adelaide and Port Adelaide teams continued to play to a high standard, further lifting the profile of the League competition.

The financial performance of SANFL clubs remains a key focus of the Commission; it is hoped that increased operational professionalism and prudent expenditure combined with the increase in game development payments will see a significant improvement.

AFL

The SANFL's relationship with the AFL remained on a strong and collaborative footing, with game development again an area of mutual interest and strength.

AFL Game Development Grants totalled $1.5 million in 2015, monies which were invested in SA-based programs including Auskick, school and community football.

AFL Talent Development Fees of approximately $1 million were paid to SANFL clubs and invested in their centres of excellence programs. This also included $100,000 paid to Community Clubs.

KEY PARTNERSHIPS

2015 marked the final year of AAMI's long-standing sponsorship of AAMI Stadium, the home of football in South Australia since 1974.

SANFL has been fortunate to have the support of AAMI as naming rights sponsor for 13 years, with the partnership formally concluding at the end of the year due to the redevelopment of the stadium precinct. SANFL would once again like to acknowledge AAMI's support, which has been an important factor in enabling us to develop football across all levels.

The partnership between SANFL and Lion now spans more than 60 years, while IGA's sponsorship of the SANFL IGA League remains fundamental to the profile of our elite competition.

Other major partners include Coca-Cola Amatil, with whom the SANFL has enjoyed a more than 40 year relationship, McDonald's, Ford Australia and the Motor Accident Commission. Our Broadcast Partners included BankSA, IGA and RAA.

Companies that made a significant contribution to SANFL's operations in 2015 also included Holden and Burley while the Government of South Australia continued to provide support through the Office of Recreation and Sport.

COMMISSION AND EXECUTIVE MOVEMENTS

In March 2015, June Roache was appointed to the SA Football Commission, replacing Philip Duval who retired after serving for four years.

In doing so, June became the first female Commissioner in its history and has brought with her extensive management experience. She was Chief Executive of SA Lotteries for some 20 years until 2014 and serves on a number of boards including the South Australian Health & Medical Research Institute, ForestrySA and the Essential Services Commission of SA and was Chair of the Adelaide Football Club's Professional Standards and Integrity Committee.

June is also a former long-serving Board Member of Business SA, has chaired the Asia Pacific Lottery Association and was until recently the Vice President of the World Lottery Association.

The Commission acknowledges and thanks Philip Duval for his commitment, counsel and service through his tenure as a Commissioner.

Our thanks are also extended to Simon Rodger, who served on the Commission for the past three years before deciding to step back to concentrate on his growing business and growing family.

2015: A YEAR IN REVIEW

ACKNOWLEDGEMENTS

In 2015, SANFL was able to recognise and honour the achievements of two more of the greats of our game with sculptures of Russell Ebert and Malcolm Blight unveiled at Adelaide Oval, joining Barrie Robran's likeness in bronze.

A total of four footballers are being honoured by SANFL with sculptures through the generosity of businessman and philanthropist Basil Sellers, with Ken Farmer the other to be recognised along with four cricket greats.

SANFL would again like to extend its gratitude to Basil, who has ensured the feats of these great South Australians will live on for future generations, cementing their place in the history of our game.

We also inducted five greats into the South Australian Football Hall of Fame in 2015, recognising former Executive Commissioner Leigh Whicker, Port Adelaide SANFL premiership captain Tim Ginever, inaugural Crow and long-time country football hero Rodney Maynard, Adelaide and Norwood premiership hero Brett James and four-time Sturt club champion John Paynter.

His Excellency The Honourable Hieu Van Le AO was an outstanding patron of the SANFL and we thank him for his support.

We would also like to acknowledge SANFL executive and management, game development, ground staff and administrative teams for their continued hard work. They continue to help drive our organisation forward for the betterment of football across South Australia.

FOOTBALL OPERATIONS

In 2015, participation in our game, in competitions and programs, reached 142,000. With 1,232 teams supported by a network of 283 Clubs, competing across 30 Leagues and the strength of Primary and Secondary school competitions resulting in a further 462 teams competing across the State, our game is continuing to connect our communities and capture the hearts and minds of South Australians.

Season 2015 was also one that signalled the beginning of some exciting and significant initiatives for the SANFL as the organisation began resourcing for growth in the game and demonstrating a preparedness to address need for change.

After 32 years, West Adelaide held aloft the Thomas Seymour Hill Cup, a remarkable turnaround from their ninth place finish in 2014 under the stewardship of Richard Sykes, John Kantilaftas, Mark Mickan and Chris Schmidt. While the ultimate prize eluded the Eagles, their season was one of the most successful the SANFL has seen, culminating in being awarded the Stanley H. Lewis Trophy as the best performed SANFL Club. Minor premiers across all three grades, the Eagles had a win-loss record in the home-and-away season of 50 wins and 4 losses between Under 18, Reserves and League Football.

South Australia's highest individual honour, the William Magarey Medal was awarded for a second time to South Adelaide's Joel Cross on a night that highlighted his determination to succeed and his passion for the Panthers.

Our SANFL Clubs continued to invest in local talent which is reflected in their League Teams.

The percentage of players in our League competition from South Australia increased from 77.6% (2014) to 79% (2015) and the average percentage of players represented at League level from within a SANFL Clubs local zone increased from 48% to 53%. The past two premierships have been won by Clubs who had the highest percentage of local zone players represented at League level, demonstrating the effectiveness of backing talent from within.

The West End State Team travelled to Western Australia and returned disappointed after being defeated on the open expanses of Lathlain Oval. Tom Keough (West Adelaide) was awarded the Fos Williams Medal as South Australia's best on debut, perhaps the performance which led to his subsequent drafting as an AFL Rookie by the Gold Coast Suns.

Graham Cornes will return in season 2016 to guide the State Team into battle against Victoria at Adelaide Oval on May 29th in a game that will see us desperate to honour the significant history between the States.

Our Women's State Team, coached by Narelle Smith, was victorious in Darwin against the Northern Territory which was the culmination of what was an exciting year for participants. For the first time, our women were able to play on Adelaide Oval as a curtain-raiser to an AFL game. With more than 11,000 people in the Oval during the game, the All-Star game achieved the highest peak audience for any match played between females in 2015.

First time State Coach, Bill Economou led a remarkable improvement in performance for the Under 18 Youth Girls in Pool B of the national championships. After finishing at the bottom of the Pool B table in 2014, the girls were crowned national champions after progressing through undefeated. Continuing on recent successes, the McDonald's SA Under-16 and Under-18 teams competed strongly in Division 1 of the national championships, finishing second in each with Darel Hart (16s) and Brenton Phillips (18s) again coaching the campaigns.

Our All Nations and Kickstart boys and girls and Inclusive State team all represented the State with pride at national carnivals.

At Under 18 level there were seven All Australian selections with Riley Bonner (West Adelaide), Luke Partington (Norwood), Aaron Francis (West Adelaide), Will Snelling (West Adelaide), Ashleigh Woodland (Salisbury), Sarah Allan (Salisbury) and Ebony Marinoff (Morphettville Park) recognised for their performances at the national championships.

In further recognition of the strength of talent development in the State, there were 11 players selected in the AFL National Draft and another five in the AFL Rookie Draft whilst two females were selected in the Women's Draft for the AFL Women's Exhibition games.

The achievements of our State teams and recognition of individuals is a testament to the work of the SANFL Clubs, SAWFL Clubs and the Community Club network in providing the pathway for success.

Recognising the need to develop female talent pathways, the SANFL introduced girls Under 14 and Under 16 competitions, the first time that a State League competition has offered a competition aligned to State League Clubs for females.

We have allocated more resource to Junior Football through the establishment of SANFL Juniors and the direct involvement in competition management is already providing significant dividends, with the insights gained contributing to offering the best possible experience for the participants.

One such benefit has been the introduction of a participation pathway for females with the offering of Under 8, Under 11, Under 13 and Under 15 all girls competitions across the metropolitan area.

The other SANFL-run competition, the Far North West Sports League, played across eight remote indigenous communities of the APY Lands, continues to provide opportunity for local people whilst meeting with our responsibility to provide access to the game across all parts of the State.

The opportunities for those with talent are highlighted by the Aboriginal Lands Cup, played between the APY and Maralinga Lands, now named in honour of Don McSweeny for his service to the game and more particularly for providing opportunities for indigenous footballers.

Through partnership with the Department of Prime Minister and Cabinet, and funding provided under the Indigenous Advancement Strategy, the SANFL launched Active Education and Junior Sports projects across 11 remote indigenous communities. Under the banner of 'watch the ball, have fun, go to school', SANFL is partnering Government and other service providers to improve school attendance and encourage youth to be active and engage in a healthy lifestyle.

Our Government partnerships extend to the Office of Recreation and Sport who are investing resources where it is needed most.

Through partnership with the University of Adelaide and the Office of Recreation and Sport we are building a spatial database that will provide critically important information regarding our current participant base and our community. From this we will be able to identify opportunities for growth and allocate our resource in a targeted manner.

The support extends to an investment in the protection of the integrity of our sport and the appointment of an Integrity Officer to build policy and an education framework related to performance enhancing drugs, illicit drugs, gambling and other risks that present in sub elite and community sport.

The football team at SANFL are passionate and dedicated, demonstrating in the past twelve months an increased agility to meet the needs of football in the State and the capability to deliver on our strategic objectives.

To all that have given to the game in 2015, we thank you for your dedication and commitment to ensuring that our game is fostering healthy outcomes in our community.

THE PREMIERS

SANFL IGA LEAGUE GRAND FINAL

West Adelaide won its first premiership in 32 years after defeating Woodville-West Torrens by 30 points in the 2015 SANFL IGA League Grand Final at Adelaide Oval.

Making a stunning rise from ninth on the ladder in 2014, the Bloods claimed their first flag since 1983 through sheer weight of possession, a trend which emerged early in the first term.

The Bloods finished with 140 more disposals than the Eagles, illustrating their supreme fitness considering the minor premier had enjoyed two weekends off during the major round.

West coach Mark Mickan – who was forced to watch from the sidelines in 1983 as a player – made a strong point of having an intense pre-season after the club's disappointing finish to 2014.

And Mickan's mandate proved a masterstroke as his men ran on top of the ground during the final term as they doubled the 15-point margin at the last change.
Chasing their fourth flag as a merged entity, the Eagles went into the match as warm favourite considering they had only lost two matches throughout the season.

But losing key midfielders Angus Rowntree, Angus Poole and ruckman Marc Borholm to injury before the bounce proved significant.

JACK OATEY MEDAL

West Adelaide midfielder Chris Schmidt was the obvious choice for the 2015 Jack Oatey Medal after a standout display in the centre square.

Collecting a career-high 44 disposals, 10 marks and six clearances, the former Crow had a significant impact on the match as he teamed strongly with Travis Tuck and Jason Porplyzia.

Schmidt became the first Bloods player to win the Jack Oatey Medal since Ian Borchard in 1983.

RESERVES GRAND FINAL

Woodville-West Torrens went through the 2015 season undefeated after defeating North Adelaide by 27 points in the Reserves Grand Final at Adelaide Oval.

Leading at every change, the Scott Mathews-coached Eagles were made to work hard for the premiership flag by a plucky Roosters outfit determined to cause a major upset.
Despite the Eagles having nearly 70 more disposals than their opponents, they were only able to break away late in the contest after booting the last three goals of the match.
Prolific midfielder Ethan Haylock was a fitting winner of the Bob Lee Medal as the best player on the ground as he led a strong-looking on-ball brigade.

MACCA'S CUP GRAND FINAL

Norwood won its first Macca's Cup after proving too strong against the Eagles in the Under-18 Grand Final at Adelaide Oval.

Despite not scoring in the final quarter, the Redlegs held on for a well-deserved 18-point victory after keeping the Eagles scoreless during the first term.
Leading at every change, Norwood used its clean skills to their advantage in the fine conditions, regularly bringing the ball through the corridor to positive effect.
The hero for the Legs was Lachlan Pascoe, with the defender fittingly awarded the Alan Stewart Medal for the best player on the ground.
The son of former Norwood forward Andrew Pascoe, the 16-year-old chalked up 25 disposals, 13 marks and four rebound 50s to make his presence felt.

MACCA'S TALENT SHIELD GRAND FINAL

Sturt won the 2015 Under-16 Macca's Talent Shield after defeating South Adelaide by 57 points in the Grand Final at AAMI Stadium in May.

Remaining undfeated throughout the minor round, the Double Blues ensured they would win the most important of their 10 matches in succession by asserting their authority early in the contest.
The Double Blues had strong contributions from Sam Hargreaves and Callum Coleman-Jones while Jordan Houlahan was rated as his side's third best player en route to kicking a team-high four goals.
Playing in their first Macca's Talent Shield Grand Final, the underdog Panthers - who only lost two matches in the minor round - were unable to counter Sturt's spread of contributors, evidenced by them being held scoreless in the final quarter.

MAGAREY MEDAL

MAGAREY MEDAL

South Adelaide star Joel Cross joined an illustrious group of players to win two Magarey Medals after being awarded the SANFL's most prestigious individual trophy for season 2015.

Joint-winner of the 2012 Magarey Medal with Central's Brad Symes, Cross polled a total of 25 votes to finish ahead of Eagles midfielder Angus Rowntree (21 votes) and evergreen Bulldogs co-captain Paul Thomas (20 votes).

The 28-year-old is the seventh Panther to win the Magarey Medal, together with South greats such as Dan Moriarty (1919, 20, 21), Jim Deane (1953, 57) and Mark Naley (1991).

One of ten players to win two Magarey Medals, Cross' name now sits alongside the likes of Bob Quinn (Port Adelaide), Andrew Jarman (North Adelaide/Norwood) and Garry McIntosh (Norwood) to be a dual recipient of the cherished award.

The prolific midfielder bolted out of the blocks to attract five first preferences to tally 15 votes by Round 8. From there, he was never headed.

2015 MAGAREY MEDAL VOTES

Votes	Name	Club
25	Joel Cross	South
21	Angus Rowntree	Eagles
20	Paul Thomas	Central
18	James Allan	Norwood
17	Travis Schiller	Central
16	Zane Kirkwood	Sturt
15	Chris Schmidt	West
15	Kane Mitchell	Port
14	Justin Hoskin	Central
14	Steven Summerton	Port

RESERVES MAGAREY MEDAL

Woodville-West Torrens midfielder Matt Appleton and Norwood on-baller Dylan Reinbrecht were joint winners of the 2015 Reserves Magarey Medal.

Both polling a total of 16 votes, the prolific ball-winners finished four ahead of second-placed Magpie Ben Sawford. Fellow Port player Jack Haarsma ranked third on 11 votes.

It was the first time since 2013, the Reserves Magarey Medal had been shared, with Central's Travis Schiller and West's Nick Homburg crowned two years ago.

McCALLUM TOMKINS MEDAL

Norwood midfielder Jack Bollmeyer won the 2015 McCallum Tomkins Medal for the Under-18 Macca's Cup Competition.

Leading the league in handballs and clearances, the 18-year-old polled 22 votes to finish five ahead of Woodville-West Torrens on-baller Jake Comitogianni.

Originally from the Tea Tree Gully Football Club, Bollmeyer – who measures in at 183cm and 79kg - is a big-bodied midfielder who has a penchant for winning the ball at the stoppages.

POWERADE STAR SEARCH

Central District's dominance of the Powerade Star Search Award continued with Chris Jansen revealed as the SANFL's winner for 2015.

The 20-year-old is the fifth Bulldog in succession to win the Award, following Jarrod Schiller (2011), Paul Marschall (2012), Josh Glenn (2013) and Travis Schiller (2014).

Recruited to Elizabeth from ACT club Belconnen, Jansen – who measures in at 189cm and 84kg – has made a significant impact at League level.

A revelation in the midfield in his first SANFL season, Jansen averaged 26 disposals in his 14 appearances while also being named in the club's best players on 10 occasions.

MACCA'S CUP MVP

Woodville-West Torrens midfielder Jake Comitogianni capped off a fine season by winning the 2015 Macca's Cup MVP Award.

Recruited from Woodville South, Comitogianni displayed an outstanding ability to win the ball, with his tally of 432 disposals ranking him No.1 in the competition.

A Henley High School student, Comitogianni's extreme consistency was also illustrated by him being named in his team's best players for 12 of the 13 matches he played this year.

KEN FARMER MEDAL

Glenelg forward Clint Alleway held off fast-finishing Adelaide spearhead James Podsiadly in a pulsating battle for the 2015 Ken Farmer Medal during Round 19.

Boasting a seemingly comfortable nine-goal buffer on Podsiadly, Alleway knew the former Cat was his chief rival after South's Brett Eddy managed just two goals earlier in the Round against Central.

But with Podsiadly coming off a nine-goal effort against Sturt the week before, the Bays' veteran was made to sweat over his first SANFL leading goalkicker award.

Finishing with a haul of 47 majors, Alleway, 34, became the oldest winner of the Ken Farmer Medal since Woodville great Malcolm Blight was successful as a 35-year-old in 1985.

Alleway is the first Tiger to win the award since Todd Grima kicked 56 goals in 2010.

STANLEY H. LEWIS TROPHY

Woodville-West Torrens scooped the minor premiership pool while winning the Stanley H. Lewis Trophy as the SANFL's best performing club in 2015.

In a dominant display, the Eagles finished top in the IGA League, Reserves and Under-18 Macca's Cup competition, losing just four matches across all three grades during the season.

The Reserves finished undefeated while the League and Under-18 outfits lost just two games each throughout the minor round.

As a result, the Eagles won their fourth Stanley H. Lewis Trophy with a mammoth total of 3300 points, well ahead of second-placed Norwood on 2250.

Port Adelaide – which has just two grades at League and Reserves level - finished third with a total of 1875 points.

R.O SHEARMAN MEDAL

South Adelaide midfielder Joel Cross capped off a stunning season by winning the 2015 R. O Shearman Medal.

The Panthers' vice-captain won by a comfortable margin of 23 votes, ensuring he would be the first player to win the Magarey Medal and Shearman Medal in the same year since Norwood's Matt Thomas in 2013.

West Adelaide's Jason Porplyzia (65) and Chris Schmidt (61) rounded out the top three while Eagles on-baller Angus Rowntree, Central ball magnet Travis Schiller and Jack Oatey Medallist Matthew Panos all earned in excess of 50 votes.

SA FOOTBALL HALL OF FAME

The South Australian Football Hall of Fame enshrines those who have made a most significant contribution to the game of Australian Football.

The SA Football Hall of Fame was established in 2002 when 114 outstanding individuals became inaugural inductees.

In 2015, five individuals were inducted into this illustrious collection of football greats at the SA Football Hall of Fame presentation dinner held at Adelaide Oval on September 7.

Inductees are selected by the South Australian Football Hall of Fame Selection Committee, which currently comprises Max Basheer AM (Chairman), Laurie Argent, John Halbert AM MBE, Bob Hammond AM, Neil Kerley AM, Chris McDermott, Michelangelo Rucci and Bill Sanders.

LEIGH WHICKER AM

Era : 1961 - 1990

Many South Australians won't be able to remember a time when Leigh Whicker was not guiding football here from strength to strength.

But from 1963 to 66, Leigh was a player – 43 times for Sturt and kicking 18 goals.

It took an injury to turn his attention to administration, with Leigh becoming General Manager of the Double Blues from 1969 – 1971.

From there he stepped smoothly into the SANFL and was deeply involved – often a prime mover – in almost every major development since then.

The glory years of Football Park; the creation of the Adelaide Crows; the birth of the Power; the redevelopment of the brilliant Adelaide Oval.

Before retiring just last year, Leigh had been SANFL General Manager for three decades.

He was Executive Commissioner of the SA Football Commission for almost as long.

And he spent six years guiding the Adelaide Oval's Stadium Management Authority as Executive Director.

2015 INDUCTEES

BRETT JAMES

Era : 1991 - onwards

Brett James is one of the very few players who can boast about winning two premierships in the same season.

A member of the Crows inaugural AFL premiership side in 97, Brett then helped Norwood win the SANFL flag the next weekend. He went on to collect another title with the Crows the following year.

A stalwart of the Norwood side for four seasons, Brett was drafted to Collingwood in 1994 where he played for three years.

Returning to Adelaide in 97, Brett played on for another ten seasons with both the Crows and Redlegs.

Retiring in 2006, Brett amassed 234 games with Norwood, 42 for Collingwood and another 76 for the Crows.

He played three times for South Australia, captaining his state for two of those matches, and played a further two State of Origin games.

JOHN PAYNTER

Era : 1961 - 1990

A hero of the fans at Unley Oval, John Paynter wore the Double Blues colours in 246 games from 1983 to 1992.

Captaining the side for two years, the speedy ruck-rover kicked a total of 249 goals and earned the club's Best & Fairest trophy four times in 10 years.

But of course, John started his career at the Bay, playing 70 games and kicking 82 goals for Glenelg from 1980 to 82 – taking part in both the '81 and 82 Grand Finals.

Regarded as one of the best South Australian players never to play in the AFL, John pulled on the State guernsey six times.

While he retired from the SANFL in 1992, he didn't retire from the field, leading St Peter's Old Collegians as a Playing Coach for two years including a flag in 1995.

John is currently Club Coach of the famous Adelaide University Blacks.

TIM GINEVER

Era : 1991 - onwards

As a fleet-footed 17 year old, Port Adelaide hero Tim Ginever only managed one league game for the Magpies in his first year and then just six more the following season.

But after that – the Alberton legend was born.

In a total of fifteen seasons from 1983 to 97, Tim played 314 games for the mighty Black And White, and was at the heart of the Magpie Machine when it was arguably at its most dominant.

Tim won the SANFL Flag a total of seven times, was named Port Adelaide's Best & Fairest twice and, of course, captained the team for his final four years.

Perhaps surprisingly for such a key figure, he represented his State just once.

Immediately after retiring as a player, he took to coaching - first as an Assistant for the Power in the AFL, then later for his beloved Magpies where he was Head Coach for three seasons from 2006 to 2009.

RODNEY MAYNARD

Era : 1991 - onwards

Forever known as 'Rocket', Rodney Maynard was one of the original Crows who showed the AFL what South Australian footballers could do, by handing out an 86 point mauling to Hawthorn in Adelaide's very first AFL battle in 1991.

Rocket, who kicked three goals that day, was the first Crow to reach 50 games - finishing his five year AFL career with 81 matches and 24 goals.

A tireless defender, Rodney also played for Norwood over nine seasons and amassed another 157 games and 159 goals – the last in 1995 – and he represented his State three times.

But Rodney's career certainly didn't end when he left the Redlegs. Rocket went on to play a further 206 games for Lameroo – winning a total of seven Premierships and 10 Best & Fairest trophies.

On top of that he's also collected the Mail Medal, for the Mallee League's Best & Fairest, an amazing six times.

WEST END STATE GAME

2015 West End State Team

The West End State team was overcome by a fleet-footed, efficient WAFL outfit by 45 points in Perth on May 23.

Coached by South Australian football great Graham Cornes, SA was searching for its fourth win in succession after eclipsing the Sandgropers, NEAFL and VFL in the past three seasons.

But the Croweaters were unable to land their first win in the west since 2003 due to the hosts' precision passing and ability to find the ball across the wide expanses of Lathlain Park.

Beaten out of the blocks by WA, SA worked its way back into the contest to draw level at quarter-time.

And once SA's livewire small forwards Ian Callinan and Lachie McGregor kicked the opening goals of the second term, it appeared the visitors were gaining control of the match.

However, this only seemed to spark the locals into action as they kicked six of the next seven goals to earn critical momentum in the battle for the Haydn Bunton Cup.
For the Croweaters, West Adelaide debutant Tom Keough was a fitting winner of the Fos Williams Medal after restricting the WAFL leading goalkicker – Shane Yarran – to just three majors.

Sturt star Kirkwood was again a tireless worker in the midfield for SA, at one stage setting the tone for his team-mates with an outstanding attack on the ball inside the centre square before half-time.

West's Chris Schmidt had an impact at the stoppages with seven clearances while Sturt's Angus Kurtze won the ruck battle by accumulating 29 hit-outs on his own compared to the WAFL's 24.

UMPIRING

Season 2015 marked another significant milestone for the SANFL Umpiring department, with Craig Fleer added to the AFL's senior Field Umpiring list.

Fleer, the winner of the 2015 Golden Whistle Award, became the fourth SANFL field umpire in elite ranks, joining Justin Schmitt, Sam Hay and Curtis Deboy.

It is the first time the SANFL has had as many as four Field Umpires on the AFL senior list.

Recruitment also continued to be a strong aspect, with a six per cent increase reported in 2015.

The establishment of the SANFL's inaugural Multicultural Umpiring Academy was also a highlight, with more than 20 attending the first session from a wide variety of ethnic backgrounds.

The Academy has been headed up by SANFL Umpiring staff members Barry Oates and Leigh Haussen, with Afghanistan native Adnon Jafari acting as an Ambassador.

Not only will participants learn the rules of Australian Football, it is envisaged they will officiate in junior leagues throughout 2016.

NAB AFL UNDER-18 CHAMPIONSHIPS

After claiming the past two Under-18 National Championships, South Australia finished second in 2015.

As Victoria Country went through the tournament undefeated, the Croweaters earned a 2-4 win-loss record, with two losses by a margin of less than a goal.

Four players – West Adelaide trio Aaron Francis, Will Snelling, Riley Bonner and Norwood's Luke Partington – had their outstanding campaigns rewarded with All-Australian selection. Snelling – who captained the McDonald's SA Under-18 team – was fittingly awarded the John Halbert Medal as the Croweaters' MVP of the Championships.

The Bloods' prolific midfielder also received the Ron Coleman Best Team Man Award while Partington was handed the "Players' Player" Award.

UNDER-18 ACADEMY

The Academy, which underpins the South Australian Under-18 team, was established by the SANFL and League clubs in 2000.

This Academy helps identify and assist the development of talented Under-18 footballers while instructing players about the requirements for success at AFL level.

A total of 54 footballers from across the state graduated from the Academy in 2015.

TALENT DEVELOPMENT

NAB AFL UNDER 16 CHAMPIONSHIPS

South Australian enjoyed a strong campaign at the 2015 NAB AFL Under-16 Championships, finishing with a 2-1 win-loss record on the Gold Coast.

Despite losing their final contest in agonising fashion to Victoria Country, the Croweaters – coached by Darel Hart - won their first two matches against Victoria Metro (26 points) and Western Australia (74 points).

Norwood's Isaac Hewson was presented with the Norm Grimm MVP Award for his consistent performance at the tournament while Glenelg's Brad McCarthy claimed the Ron Coleman Best Team Man Award.

Sturt's Ryan Weidenhofer – the McDonald's SA Under-16 captain - was a fitting winner of the Dr Henry Kneebone Award for displaying respect and leadership.

STATE UNDER-15 CHAMPIONSHIPS

In the July school holidays, North Adelaide (Northern) and Glenelg (Southern) were the Metropolitan Championship winners while Norwood (Northern) and Glenelg (Southern) claimed honours in the Country Championship.

SANFL UNDER-16 COUNTRY TALENTED PLAYER PROGRAM

The Country Talented Player program was introduced in 2011 to help identify and nurture the state's best regional talent.
In 2015, 31 players from the eight SANFL country promotional zones were invited to participate in a talent camp held at Immanuel College and a one-day session at West Lakes.

UNDER 17 AAMI YOUTH CHAMPIONSHIPS

The Under-17 Youth Championships help SANFL clubs identify players with the capacity to play consistently at Under-18, Reserves or League level in the future.

Each League club's regional promotional zone was represented by a squad for the Championships which were held in July.

Teams were divided into two conferences, with Norwood winning the Northern Division and Glenelg victorious in the Southern Division.

COACHING

The SANFL, and its affiliate clubs, have supported compulsory accreditation at Level 2 and Level 1 respectively.

Coaches trained in 2015:

- Level 1: 554 coaches (conducted by SANFL)
- Level 2: 40 coaches (conducted by SANFL)
- High Performance (Level 3): 5 SA coaches (conducted by AFL)
- Reaccreditation (after four years): 212 coaches
- Total course attendees and re-accreditations: 811 coaches

In 2015, all metropolitan AFL Level 1 Coaching Accreditations were delivered and administrated centrally by the SANFL. There was extremely positive feedback received regarding this new and improved initiative. In 2016, there will be an expansion of this process across all South Australian regions. Key outcomes included:

- Consistent content and delivery across all courses
- Courses delivered separately to Junior, Youth and Senior coaches to tailor content to each group
- The inclusion of practical sessions delivered to maximise learning and retention
- The inclusion of an online element, allowing coaches to complete some sections in their own time at home.

The interaction of coaches within SANFL clubs is most important, the League and its clubs with the assistance of the AFL have established the Club Coaching Coordinator Mentor Program for coaches to enhance their performance through the use of technology and face-to-face discussion with educated mentors.

Specially tailored courses are run in the APY Lands and other remote Aboriginal Communities for coaches to gain qualification in their regions.

The SANFL have assisted Henley and Heathfield High Schools through their Specialist Sports Programs to accredit Level 1 Junior coaches.

COACHES ASSOCIATION

There are 3,247 coaches who are presently accredited at Level 1, Level 2, or High Performance (Level 3) in SA. The SANFL has recorded the processing of at least 15,000 coaches in coaching courses at Level 1, 2 and High Performance (Level 3).

The resources available for coaches have improved through the development of the AFL Game Development website, the AFL Community Club website, the SANFL website and a host of other private websites. There are also a number of DVDs and books that are endorsed by the AFL and SANFL.

2015 COACH AWARDS DINNER

The 20th annual Coaches Association Dinner was held at Adelaide Oval on Friday 30th October. West Adelaide Senior Coach Mark Mickan was named the SANFL League Coach of the Year.

As many as 40 Level 2 Coaching Course Certificates and 32 awards were presented to coaches representing country and metropolitan zones, female football and Centres of Excellence.

Grant Levy, from the Victor Harbor Football Club, was awarded a Service Award for his outstanding service to coaching.

SANFL League Coach of the Year Mark Mickan (West Adelaide) with SANFL High Performance Manager Brenton Phillips.

PARTICIPATION

IGA MINI LEAGUE

More than 3,200 primary school aged children enjoyed the opportunity to play at half-time of IGA SANFL League matches in 2015, including the IGA League Grand Final on Adelaide Oval.

WOOLWORTHS AFL SCHOOL AMBASSADORS

The Woolworths AFL School Ambassador program continues to be extremely valuable, with 610 school teachers across the state supporting and delivering football programs within their schools.
Professional development sessions continued in 2015, with almost 200 Ambassadors attending sessions which included the School Ambassador Launch, Statewide Professional Development Workshop at Adelaide Oval and a regional session in Renmark.
AFL Schools funding provided 20 schools with subsidies for goal posts, goal post padding and guernseys.

SAPSASA CARNIVAL

The 2015 SAPSASA Carnival was held at West Beach with 40 schools across South Australia participating in the week-long event.
Southern Heights won the Division One Grand Final.
In the Primary School Knockout competitions, Sacred Heart Middle School won the Mark Mitchell Shield, Maitland Area School won the Norm Grimm Shield and Marymount College won the SAPSASA Girls Shield.
The SASFA Premiers Cup was won by Highgate Primary School.
The South Australia Under 12 SAPSASA Boys team finished second at the School Sport Australia Championships held in Geelong.

SECONDARY SCHOOL FOOTBALL

Sacred Heart College defeated Prince Alfred College in the Open Schools Cup. Brighton Secondary School defeated Henley High School in the Secondary Schools Cup.
Sacred Heart College defeated St. Michael's College in the Open Girls Grand Final.

MACCA'S NEXT STEP PROGRAM

In 2015, the sixth annual Macca's Next Step program was held at Adelaide Oval and AAMI Stadium.
More than 400 boys and girls aged between 5 and 15 were involved in the program which included activity stations provided by Inflatable Specky World, games on Adelaide Oval and AAMI Stadium, match day simulation in the AFL change rooms, game sense training, cross training, umpiring, a Kicking Academy and a Leadership workshop.
Participants also got the chance to listen to AFL draftees Will Snelling and Luke Partington, who provided an insight into playing for SA at the AFL Under-18 National Championships and preparing for the 2015 AFL National Draft.

NAB AFL AUSKICK

In 2015, the NAB AFL Auskick program celebrated its 20th anniversary. South Australia's NAB AFL Auskick Ambassador - Rory Sloane - recognised this occasion with a birthday cake and clinic at the Walkerville Football Club Auskick Centre in July.
In 2015, the SANFL and community volunteers introduced 8072 participants to the Auskick program. This was a 9 per cent increase on last year's numbers. Another feature introduced in 2015 was direct Auskick pack delivery to participants.

OFFICE FOR RECREATION AND SPORT – SPORT VOUCHERS

For the first time in 2015, the Office of Recreation and Sport introduced a new initiative to provide primary school age children, from Reception to Year 7, to receive a $50 discount from sports clubs / membership fees. This ensured a positive impact on the participation numbers in South Australia. In the Auskick program, 73 per cent of participants utilised this voucher.

MCDONALD'S AFL 9S

The AFL and SANFL welcomed McDonald's as its new naming rights partner for AFL 9s. The McDonalds AFL 9s program is continuing to grow, recording a 28.97% increase from 760 participants in 2014 to 980 players in 2015.
The junior competitions have reported a participation increase of 3.4 per cent.

INDIGENOUS PROGRAMS

The SANFL would like to acknowledge that the land on which we live, work and play Australian football is the traditional lands for the Kaurna people. We recognise and respect their cultural and heritage beliefs and understand that these are still very strong and important to the Kaurna people today.

DON McSWEENY

The South Australian Football community was saddened by the passing of South Australian Football Hall of Fame member Don McSweeny in July.
An SACFL Life Member, Don's involvement in football spanned 70 years, when he began as a player for the Cummins Football Club on the Eyre Peninsula.
South Australian Community Football League Chairman David Shipway said the depth of Don's contributions to football at all levels over 70 years was not confined to the country.

He said life memberships of the Port Adelaide Football Club, Great Flinders Football League and the SANFL was a testament to his work around the State.

"Don was highly thought of by people in footy in the city as well, it wasn't just country areas, he was widely respected throughout the game," Shipway said.

"We consider him to be an elder statesman of the game and one of the really special people that has made our game so good."

But more recently it was Don's work to bring football competitions to Aboriginal communities in remote South Australia that was one of his biggest passions.
Earlier in 2015, he spoke with pride about having the annual Don McSweeny Aboriginal Lands Cup match - played between teams from the Anangu Pitjantjatjara Yankunytjatjara Lands and Maralinga - named in his honour following 11 consecutive years of hosting the event.
Mr Shipway said a speech Don gave after the match highlighted its personal significance.

"I've heard some very passionate footy speeches, but Don spoke for probably 10 minutes without a note about his passion for the Aboriginal culture, what it meant to him, how he understood it and how he had given a fair bit of his life to helping young Aboriginal lads play footy," he said.

"He did a lot for Indigenous communities, it was one of the areas he was so proud of and worked so passionately for."

2015 DON MCSWEENY ABORIGINAL LANDS CUP

The APY Lands cruised to a comfortable 42-point win against Maralinga in the 2015 Don McSweeny Aboriginal Lands Cup at Adelaide Oval in July.

Leading at every change during the entertaining encounter, the APY Lands made the most of their accurate kicking in front of goal early in the contest.

Former Hawthorn rookie and APY Lands playing Coach Amos Frank was a fitting winner of the Gordon Naley Medal, for displaying leadership, work ethic and the spirit in which the game should be played.

Frank's team-mate Kieran Roberts was adjudged the best player for APY Lands while Lindsay Benbolt was rated as Maralinga's strongest performer on the night.

FAR NORTH WEST SPORTS LEAGUE

During 2015, the Far North West Sports League was able to achieve a steady growth of Anangu community members assisting and taking charge with the coordinating and administration duties of all game days. In turn, we believe this has helped strengthen the on-field competition for all nine Softball teams and all nine Football teams.

There were numerous discussions throughout the year with the Senior Sports League committee around linking work and school attendance into the senior sports league "No work, No play" and we are hoping for this to have a positive impact in all areas including the behaviour at all Far North West Sports League games in 2016.

An incredible highlight for the 2015 softball season was Wintjalangu managing to comfortably sit on top of the ladder all season and then earn the victory at the Grand Final against the Mimili Blues – what a game!

Pukatja football team once again completely took the season by storm as they sat third on the ladder until round six where they crept up to second position. From there, they finished top in week two of the finals which earned their entry into the 2015 Grand Final.

2015 FAR NORTH WEST SPORTS LEAGUE GRAND FINAL

Pukatja (Ernabella Magpies) won the FNWSL Football Grand Final, defeating Indulkana by just four points. Wintjalangu won the Softball Grand Final by just 2 runs against Mimili in the APY Lands.
Despite boasting a comfortable lead for most of the match, the pacesetting Magpies were forced to withstand a last quarter scare from the fast finishing Tigers. Pukatja established itself in the game early, pushing itself to a comfortable 19-point buffer at the main change.

And while the Magpies were able to maintain this break at the final change, the Tigers made a desperate charge in fourth quarter, drawing within a goal with two minutes to play. But after scoring two behinds deep into time-on, the Tigers were unable to reel in the Magpies, who were deserved premiers in 2015.

ACTIVE EDUCATION

The SANFL manage the Active Education program across the APY Lands and Far West Coast to increase school attendance as part of the Remote School Attendance Strategy, funded by the Commonwealth Government. The program consists of Active Community Educators (ACEs) conducting before school activities to encourage students to attend school, and reward students who have stayed in school all day by participating in after school sports.

The ACEs are local Anangu community members in all 11 communities across APY Lands and Far West Coast. This also offers employment opportunities for community members.

As part of the Active Education program, SANFL is responsible for Peak Sporting Body visits once each school term. Throughout term 3 and 4 of 2015, Netball SA visited both APY Lands and Far West, SACA visited APY Lands and Gymnastics SA also visited APY Lands. This enables the students to engage in different sporting activities and to learn fundamentals of the particular sport.

At the end of each term, SANFL are responsible for conducting an end of term sports carnival.

JUNIOR SPORTS

Similar to the Far North West Sports League, the SANFL are funded by the Commonwealth Government to deliver a Junior Sports program on the APY Lands to students with at least 80% school attendance. Sport acts as a vehicle for engagement to remote indigenous students and the purpose of the activity is to increase school attendance.

SANFL Indigenous Programs staff facilitate interschool sports competitions throughout the school year and work side by side with each school to create and produce individual and customised school sports uniforms. In addition to this local Anangu coaches attend accredited coaching courses before hosting two training sessions and a structured game in each community on a weekly basis.

2015 SOUTH AUSTRALIAN AFL KICKSTART PROGRAM

The Kickstart Championships are a week long tournament where each state and territory select their best U15 Indigenous players to fly interstate and compete against each other. The program provides the pathway into the AFL's Flying Boomerangs Squad for those who perform strongly throughout the week. For the fifth year in a row, former Crows and Central District great Eddie Hocking was appointed as SA's head coach.

All of the action commenced at Cazaly's Stadium in Cairns on Saturday 11th April, where SA defeated both Victoria and Queensland in their first two games, a great way to start the Championships. On Day Two, SA unfortunately lost their first game to NT and also lost two of the team's most valuable players (Donny Wills and Trent Burgoyne) to injuries. Despite the injuries to key players, SA were able to make a fantastic comeback and defeat NSW/ACT by 14 points.

Day 3 saw SA finishing fourth on the ladder and although SA did not make it through to the end, the week was still filled with valuable educational and team bonding sessions which helped to create a tight knit group of young eager men.

There was a record eight SA players selected for the 2015 Flying Boomerangs squad:

- Mihali Lochwiak
- Donny Wills
- Dallas Barnes
- Malachai Ahmatt-Lovett
- Chandler Nelson-Edwards
- Leonard Ferriera
- Tyrone Milera
- Trent Burgoyne

Despite Donny Wills being unable to represent SA for the remainder of the championships, he was awarded the Andrew McLeod Medal as he had shown outstanding leadership on and off the field and displayed the right attributes to forge a successful career in Football. Norwood's Mihali Lochwiak deservingly was named South Australia's MVP of the tournament.

WOMEN'S FOOTBALL

SANFL GIRLS COMPETITION

Season 2015 will be forever etched in history as the SANFL became the first State League to include Girls teams at each SANFL club.

More than 200 girls took part in the Under-14 and Under-16 competitions which saw all eight non-AFL aligned SANFL clubs field two teams.

Without the volunteers involved at each SANFL club, the SANFL Girls Competition would not have been possible. A special thank you to the countless members of family, friends and supporters who made the competition an incredible experience for all involved.

Not only does the SANFL Girls Competition now offer a genuine pathway to the SANFL's elite female programs, it has introduced the game to a host of new players who otherwise would not have been afforded the opportunity to lace up the boots.

NATIONAL U18 YOUTH GIRLS CHAMPIONSHIPS

For the first time, South Australia – coached by Bill Economou - claimed honours by remaining undefeated in Pool B at the Australian U18 Youth Girls Championships. Proving they are a rising force in Female Football, the Croweaters had three players selected in the All-Australian team – Ashleigh Woodland (Centre-Half Forward), Sarah Allan (Full Forward) and Ebony Marinoff (Ruck Rover). Woodland was also the leading goal kicker for Pool B with eight majors while Sarah Allan was the Pool B Best and Fairest player.

SANFL WOMEN'S ALL-STAR MATCH

For the second year in succession the SANFL Women's All-Star match was played, but for the first time, it was held on the Adelaide Oval as a curtain-raiser to Adelaide's AFL clash with Melbourne in Round 3.
As many as 11,000 people watched the best 44 South Australian women battle it out on the hallowed turf as AFL scouts watched on with interest.
The match not only provided the girls with the priceless opportunity to play at home of South Australian football but also served as an important gauge for selection in the Senior State Women's team.

SENIOR STATE WOMEN'S TEAM

The Senior State Women's team continued South Australia's successful season with a hard-fought victory against the Northern Territory in Darwin.

Coached by experienced mentor Narelle Smith, the Croweaters led at every change to earn victory amid the physically taxing conditions present in the Top End.

AFL WOMEN'S EXHIBITION GAMES

South Australia continued its representation at the AFL's Women's Exhibition matches in 2015, with two players selected to represent Melbourne against the Western Bulldogs.

Ruck Dani Goding was snared by the Demons with pick No.2 in the 2015 AFL Women's Draft, the highest pick to emanate from SA in Draft history.

State captain Courtney Cramey was also chosen by the Demons, becoming the only Croweater to play in both AFL Women's Exhibition matches for the third consecutive year. State coach Narelle Smith continued her role as an assistant mentor for the Demons while former SANFL Field Umpire Eleni Glouftsis officiated in the second match of the series.

COMMUNITY FOOTBALL

The South Australian Community Football League made solid progress in 2015. We were able to progress the Board's commitment to a sensible and realistic outcome on the major issue of player payments. This was a major objective for the SACFL Board and the support we received strengthened our resolve that we were on the right track.

The outcome by the end of the year, having all country leagues on the same payment level, and the SAAFL at a lower level for metropolitan football, is a great result for the game overall. This year will see the roll out of player payment training programs for administrators and the formation of an investigation committee, which is tasked with following up potential breaches of this very important regulation.

At the SACFL, we had two of our three staff change during the year. We sincerely thank Leeanne Grantham and Kym Ireland for their hard and passionate work in their time with us and we wish them well in their future endeavours. Unfortunately, the changing over of our people took a long time but we are very pleased with the outcome. Matt Duldig, Casey Grice and Sarah Neal are a young, enthusiastic team who I'm sure will take Community Football to an even higher level. They are great people who I firmly believe will exceed all expectations.

In 2016 we will have more important tasks for the Board and staff as we review the Approved Player Payment System and look into the best possible structure for Community Football going forward. Community Football is greatly indebted to the Motor Accident Commission for its fantastic support or our programs, including the MAC/SAPOL seminars, the Country Championships which were held in Port Augusta and the MAC Road Safety Round. MAC have been with us for several years and we are sure their programs and support have made a significant difference in saving lives on our country roads.

We are fortunate to have several other sponsors supporting Community Football who deserve our thanks, as do our licensed suppliers.

There are many challenges ahead for several of our regional leagues with further declining populations and lack of employment opportunities.

The Board is committed to support leagues and clubs as they deal with the reality of their various situations.

In 2016, the appointment of a Country Umpiring Liaison Officer will assist umpiring panels throughout country SA. This new position will be fully funded by the SANFL which is greatly appreciated.

I would like to thank the Community Football Board Members for their commitment and hard work. We have a good team who work well together.

There are many issues ahead for our game at Community level but, with that comes great opportunities. We look forward to working with all of our affiliates to make our great game even stronger. We are very grateful for the huge commitment by the thousands of volunteers who support our Leagues and Clubs. As the new SANFL slogan says, we all do what we do because we love footy.

David Shipway
CHAIRMAN - SA Community Football League

In September 2015 I was privileged to be appointed Manager, SA Community Football League. It has been great getting to know and meet a lot of people in that short time. Already, I have travelled to many parts of South Australia and I look forward to getting right across the State over the next 12 months.

I am looking forward to building on the work undertaken by my predecessor Leeanne Grantham, who over the past 18 months has achieved some great outcomes for the Community Football League; I wish her all the best for the future.

In 2015, we also farewelled Kym Ireland, who had been the SACFL's Operations Manager for three years. Kym took up a position with Aussie Home Loans in Mt Barker and we wish him and his wife Tania well for the future.

Kym's departure paved the way for Casey Grice to join the Community Football Team. Casey came with a wealth of knowledge in dealing with local councils, applying for grants, facility development and much more.

Season 2015 saw arguably the biggest change in Community Football in South Australia, with the introduction of a Player Payment Cap. I congratulate all of those involved in developing Regulation 31 – Player Payments and delivering it to all affiliated Leagues. The CFL is firmly committed to reducing player payments across South Australia and maintaining the sustainability and viability of all Clubs and Leagues.

The Community Football League operated its financials well, ensuring significant funds were used in support of its Affiliated Leagues and Clubs, some funds have been held over for use in 2016 through education grants.

The SACFL sponsors provide funds and benefits supporting the sustainability of Community Football's Leagues and Clubs, which in turn helps to provide benefits to those who wish to be involved in football. As we know, football clubs are the backbone of many communities and the support of these sponsors and all Club and League sponsors is widely acknowledged.

The Motor Accident Commission (MAC) particularly have been an outstanding partner for SACFL and together with the football community in 2015, we championed an important message "to be a Game Changer on the roads." We look forward to continuing that strong partnership and ensuring everyone makes the right decision when getting behind the wheel.

It also gave me great pleasure to announce in 2015 that Clubs SA had extended their partnership with SACFL by committing to a further three years of support for facility development.

I would like to acknowledge the outstanding work of Sarah Neal, who has not only been a great support for me but the assistance she provides all affiliated Leagues and Clubs, particularly around Footyweb, has been invaluable.

The Community Football Board, led by Chairman David Shipway, again worked tirelessly in 2015 in support of Community Football.

To all the thankless volunteers who make our great game function during the week and on game day, I thank you for your commitment; your efforts don't go unnoticed.

There are many issues for Community Football to focus on in the future and I look forward to working with you throughout 2016.

Thank you again for your dedication to Community Football in South Australia.

KEY PARTNERSHIPS

Motor Accident Commission

We acknowledge and thank the Motor Accident Commission (MAC) as the major partner of the SA Community Football League. Our partnership's objective is to reduce the number of incidents of serious injuries and deaths on country roads, aimed particularly at 18-30 year old males.

Key initiatives included:

- MAC SAPOL Safe Driving Seminars delivered to over 2300 players and officials.
- Safe Driving Ambassadors actively promoted the safe driving message in country Clubs across SA.
- In 2015 MAC sponsored the State Program including the MAC City V Country Challenge, and the SA Country Championships.
- Introduction of the MAC Road Safety Round.

COMMERCIAL OPERATIONS

Season 2015 was the second year that Football has been played at Adelaide Oval and as with 2014, the season was an outstanding success on many fronts for SANFL.

The close down of operations at Football Park continued with the closure of the Encore Division of SANFL effective from 31 March 2015. Encore achieved many accolades in its own right as the both the stadium catering provider and at many other external venues and major events. I am very pleased to report that with the support of SANFL, all staff were successful in obtaining further employment.

Our long serving SANFL Human Resources Manager Vasso Fessas resigned from SANFL in October 2015 after nearly 30 years of outstanding service to the organisation. I would like to highlight the significant contribution that Vasso made to SANFL over many years.

The stadium redevelopment project has commenced with the Commercial & General sales centre opening in October 2015 and sales commencing of Stage A. Civil works have started within this Stage which is predominantly located within Max Basheer Reserve. Despite the disruption caused by the project, the grounds team at Football Park continue to maintain a top level training surface on the main oval for Adelaide Football Club and the elite programs run by SANFL.

I am grateful for the ongoing support from each of our corporate partners. West End and Coca Cola continue to work closely with the League and our Clubs, something both organisations have done for more than 60 years.

I would like to acknowledge the financial support from broadcast partners, MAC, IGA, BankSA and RAA that enabled the continuation of the SANFL's broadcast of IGA League games in 2015 – along with Channel Seven's support in providing an outstanding broadcast package to the many IGA State League supporters.

With the winding down of operations at Football Park, I also wish to acknowledge the long time support of AAMI. As naming rights sponsor of what became commonly known as 'AAMI Stadium', their sponsorship over 13 years provided the SANFL with funding that benefitted all of football across SA during this time.

As the organisation moves into 2016, I am buoyed by the engagement of our sponsors and look forward to renewing partners, such as McDonald's who will enter a new three-year agreement.

I would like to acknowledge the fine contribution being made by Chief Financial Officer Neal Matotek. Neal continues to provide myself with unwavering support whilst also serving the organisation with distinction.

The SANFL declared a Statutory Profit excluding depreciation and stadium impairment of $7.69m which is a reflection of the support received from sponsors, partners and football supporters.

Chief Operating Officer

CORPORATE PARTNERSHIPS

The 2015 season marked another successful year between the SANFL and corporate South Australia. Amid a challenging economic climate, the League welcomed new sponsors while maintaining the loyal support of long-term partners. These relationships are essential to the continued growth of Australian Rules Football at every level - from juniors to the elite.

The SANFL is proud to be associated with a prestigious group of corporate partners and thanks them for their support in 2015.

MAJOR PARTNER

LION AUSTRALIA

Lion's partnership with the SANFL has spanned some 60 years (via the SA Brewing Company and the West End brand). As the League's major partner, Lion is involved across the breadth of SANFL events and activities, both as a sponsor and a supplier to the clubs. Lion's support of football is state-wide, extending to the Community Football League, throughout metropolitan and regional areas.

NAMING RIGHTS PARTNER

IGA

IGA continued its partnership with the SANFL in 2015, holding the naming rights of the SANFL League competition. Along with the SANFL IGA League, IGA continued their support of the IGA Mini League, and the IGA Family Friendly Areas re-branded as the IGA Activation Zone.

The community-minded support of IGA ensures the IGA Activation Zones are family friendly, and are free of smoking, coarse language and alcohol consumption. At many games, children can enjoy activities such as face painting and bouncy castles. These areas are clearly marked at all SANFL grounds and are ideal for families with children who want to make the most of their time watching local footy.

AAMI

The League has been extremely fortunate to partner with AAMI for the past thirteen years as naming rights sponsor of AAMI Stadium, the home of football in South Australia for forty years.

AAMI's sponsorship has been crucial in the development of football in South Australia at all levels, including maintaining AAMI Stadium, one of the state's largest entertainment venues.

With the partnership concluding at the end of 2015 due to the redevelopment of the Football Park precinct, the SANFL thanks AAMI for its support of Football in South Australia over the last 13 years.

PREMIER PARTNERS:

COCA-COLA AMATIL

The SANFL's long relationship with Coca-Cola enjoyed another exciting year in 2015, with the SANFL's exclusive non-alcoholic beverage partner continuing to support the game at all levels. This support extends to naming rights sponsorship of the Powerade Star Search Award, which acknowledges the talented youngsters making their mark in League ranks.

FORD AUSTRALIA

Ford Australia supplies vehicles that enable the delivery of junior development programs to more than 200,000 children across metropolitan and regional South Australia.

Ford supplied Territory vehicles cover great distances, transporting SANFL staff across the state, ensuring future growth of the sport in South Australia.

MCDONALD'S

2015 marked the seventh year of McDonald's association with the SANFL's Community Engagement programs and talented player pathways.

The Macca's Cup (U18) and Macca's Talent Shield (U16) competitions continued to strengthen with both the McDonald's U16 and U18 State teams placing second in their National Carnivals. Through the support of McDonald's, the talent pathway remains strong for development of future AFL stars.

McDonald's support of junior football in SA continued in 2015, with the roll out of match day kits for Metro Junior District Leagues teams. Kits included goal posts, footballs, coaches boards and football bags. Ove the last two years, these kits have been provided to more than 450 teams within the Junior District Leagues across metropolitan Adelaide.

McDonald's, through the SANFL, also aided in the development of children's skills through promotional clinics, holiday coaching clinics, intra-school programs, carnivals and a 'Money Can't Buy' SANFL Grand Final experience.

The SANFL thanks McDonald's for its continued support of Football in SA, and looks forward to developing the partnership further through Junior Football.

MOTOR ACCIDENT COMMISSION

The Motor Accident Commission continued its support of the SANFL's broadcast in 2015, with the 'MAC Game of the Week' continuing to rate highly on the Seven network.

Through their partnership with the League, the SANFL Clubs again nominated one player to become MAC Ambassadors, who featured in MAC's highly successful 'Game Changer' campaign.

BROADCAST PARTNERS

BANKSA

BankSA continued as a Broadcast partner in 2015, providing viewers with the 'BankSA Trivia' spot within broadcast.

IGA

The 'IGA Goal and Mark of the Week/Year' is a regular highlight within the SANFL's broadcast game, with supporters voting via the SANFL App for their favourite goals and high flying marks each week.

RAA

RAA provided support to the SANFL Broadcast, by supporting the 'RAA Player of the Day', an in-broadcast spot with viewers voting for their favourite player of the day via the SANFL App.

COMMUNICATIONS

ONLINE

The SANFL continued to build its presence via electronic media in 2015, chiefly through the organisation's website and social media channels.

Overall Sessions on the SANFL's website increased by more than 9 per cent to 2.75 million while Users increased by more than 7 per cent to 649,000.

Significant gains were made on the SANFL's YouTube Channel, thanks to the support of the League's video contractor, Scott Fisher of AdelaideAV.

Views on YouTube increased by more than 31 per cent to a total of 233,000 while overall minutes watched jumped 120 per cent to 942,000 – largely due to an increase in Live Video Streams of SANFL IGA League matches in 2015.

In 2015, the SANFL introduced its own SoundCloud Channel to record radio style interviews with players and coaches throughout the season.

It proved to be extremely successful, with a total of more than 68,000 hits recorded in its first year, with an average of one interview posted each day.

Each interview was embedded on the website while also being promoted via the League's Twitter and Facebook platforms.

SOCIAL MEDIA

The SANFL's social media engagement across platforms including Facebook, Twitter and Instagram increased in 2015.

At the close of year, the SANFL Facebook community size increased by 17 per cent and the number of Twitter followers increased by 28 per cent.

For the second year in succession, the 'real time' social media newsroom was implemented at the SANFL IGA League Grand Final.

The newsroom supports grand final clubs and partners, driving content and engagement with the SANFL community. The successful newsroom achieved significantly higher engagement rates than the industry average of 0.5% (Facebook 2.22%, Twitter 1.7 %).

OFFICIAL SANFL APP

Entering its second year of existence, the Official SANFL App continued to rise in popularity throughout season 2015.

Downloads of the App increased by a significant 25 per cent, from 31,000 to more than 39,000, while Sessions increased by more than 50 per cent, from 1 million in 2014 to 1.5 million in 2015 across Android and Apple platforms.

The introduction of new features and easier navigation in 2015 ensured the Official SANFL App achieved greater engagement. The App continues to provide supporters with the latest scores, player and team statistics, SANFL news and videos.

PUBLICATIONS

Under the direction of production editor Cindy Ridgwell and editor Patrick Keam, the SA Football Budget continued as a must-have read for SANFL supporters in 2015.

In a popular change for 2015, the team lists for each match were shifted to the middle of the Budget while the regular features and news stories were particularly well received by the fans.

The SANFL thanks the publisher of the SA Football Budget, Boylen, for its continued long-term support of the League.

TELEVISION

For the second year in succession, the SANFL was brought to life via the MAC Game of the Week telecast on Channel 7.

Building on a successful return to the commercial television in 2014, matches were screened on Channel 7 and 7Mate, with Channel 7 – in conjunction with McGuire Media – doing an outstanding job of producing a professional, vibrant and entertaining standard of coverage.

Interactivity continued during the Channel Seven telecast, with viewers able to participate in trivia questions while also voting on the Player of the Match and the Mark and Goal of the Week, via the official SANFL App.

The SANFL thanks Channel Seven, McGuire Media and its telecast sponsors – Motor Accident Commission, IGA, RAA and BankSA - for a successful season in the second of a three-year agreement.

RADIO

Community Radio stations Life FM and 5RPH again led the broadcasting of the SANFL IGA League competition in 2015, with the support of FIVEaa, ABC and Triple M during the finals series.

For the first time in 2015, the SANFL began broadcasting its own radio commentary of IGA League matches via a Mixlr account.

The Mixlr covered matches were not only accessible via the SANFL website but also the Official SANFL App, ensuring every League game of the 2015 IGA League season was covered by a media platform.

PRINT

The SANFL received strong editorial support from The Advertiser/Sunday Mail and The Messenger throughout season 2015.

In the pre-season, The Advertiser not only printed an SANFL season guide lift-out but also published club posters for supporters to collect.

All three papers provided consistent coverage of matches throughout the year, particularly the finals series and for the Magarey Medal and the South Australian Football Hall of Fame.

In November, The Advertiser and Sunday Mail covered the AFL National and Rookie Drafts from a South Australian perspective, profiling several SANFL players in the lead up while also increasing coverage of the National Draft, considering it was being held in Adelaide for the first time since 1997.

SANFL MEDIA AWARDS

The SANFL would like to thank all media outlets for their submissions in the 2015 SANFL Media Awards.

Announced at a function on October 29, the winners of the 2015 SANFL Media Awards, were as follows:

Best Print News Story

MARKETING

The evolution of This is Football campaign in 2015 resulted in confident, striking and strong branding within the market. Consistency across SANFL marketing platforms further enhanced the branding.

The SANFL IGA League marketing efforts commenced in February when a club membership campaign was launched via the Adelaide's tram Wi-Fi network. Over 14,842 people were exposed to the campaign on their phones 67,130 times. The season was launched through various media platforms including print, radio, outdoor, digital and social. Promotion of key events and rounds through ensured traction was maintained throughout the season.

An integrated marketing campaign, This is Finals Football, was implemented to promote the 2015 SANFL IGA League Finals Series.

SANFL EVENTS

ANNUAL GENERAL MEETING

The 2014 AGM was held on Monday, March 16, with two SANFL Life Memberships awarded. Glen Rosser and Ian White were awarded League Life Membership for their outstanding services to football in South Australia.

David Rowe and Russell Pearce received SANFL Merit Awards for their services as volunteers to Sturt and the Woodville-West Torrens Football Clubs respectively.

David Lang received a SANFL Service award for his work with the Woodville-West Torrens Football Club, and Brett Lovell and Chris Smelt received Recognition of Service Awards for their work with Junior Football in South Australia.

SEASON LAUNCH

The 2015 SANFL IGA League Season was launched on Friday 27 March, and was held in conjunction with the first SA Football Commission Chairman's Luncheon for the year. New SANFL CEO Jake Parkinson spoke to the crowd of over 400 about the upcoming SANFL IGA League Season ahead, as well as the exciting programs the League develops and manages across all levels of football in South Australia.

Guest speakers for the day were current players Zane Kirkwood from Sturt Football Club, and Michael Wundke from the Woodville-West Torrens Football Club, as well as SANFL Legends Rick Davies and Tim Ginever.

All ten SANFL Club Coaches were present for a media conference prior to the Lunch, with the Captains taking part in a photo shoot on Adelaide Oval for The Advertiser.

ANZAC DAY

The ANZAC Round tradition of the Grand Final rematch continued in 2015, with Port Adelaide playing Norwood at Adelaide Oval. As per recent clashes between these two sides, the match was a battle, but the potential for a big crowd was dampened by extremely inclement weather.

Norwood won by 21 points, with Redlegs goalsneak Peter Persinos earning the Bob Quinn Medal for best-on-ground. The Department of Veteran Affairs again provided support for the event, with a motorcade of veterans held prior to the match. The day also saw a performance by the Australian Army Military Band, and a parachutist as part of the pre-match entertainment.

SANFL IGA LEAGUE THEMED ROUNDS

Multicultural Round

The SANFL held its seventh annual Multicultural Round in 2015, aiming to highlight the SANFL's ongoing presence and support in the various multicultural communities in Adelaide, including programs for youth, and recently arrived migrants.

Across the League, Goal Umpires across the five games used orange goal umpire flags, and all players wore orange arm bands and orange boot laces, in League wide activations.

The feature match of the round was the Friday night match between Norwood and Adelaide, which featured the All Nations Under 15 State side playing against a Norwood Under 15 side, and pre-match and half time performances by the Burundian Drummers group. A citizenship ceremony was undertaken by the City of Norwood, Payneham & St Peters on field as part of the pre-match activities celebrating many cultures.

Indigenous Round

The SANFL IGA League celebrated Indigenous Round again in 2015, to acknowledge and celebrate the impact that past and present Indigenous players have on our game. Players in the South Adelaide v North Adelaide match and the Norwood v Port Adelaide match wore specially designed Indigenous Round guernseys.

Women's Round

Whether it be players, coaches, administrators, volunteers or umpires, females are thriving at all levels of Australian Football in South Australia, and in 2015 the SANFL celebrated the increasing involvement of women in football with a dedicated Women's Round.

The SANFL Clubs used this opportunity to recognise the contribution women have at the Clubs, through administration, volunteering, or supporting the Club. As part of SANFL Women's Round, all IGA mini-league matches were contested by girls at each of the league's venues.

ADELAIDE OVAL SCULPTURE UNVEILINGS

Two Football Statues were unveiled at Adelaide Oval in 2015, with Russell Ebert OAM and Malcolm Blight AM joining Barrie Robran in being immortalized in bronze - all thanks to the generosity of highly-respected benefactor Basil Sellers.

Ebert – the only player to win four Magarey Medals – had his famous dashing pose captured by sculptor Tim Thomson.

Sitting prominently outside of the East Gate, Ebert's sculpture was revealed at a public ceremony, fittingly before the Port Adelaide v Greater Western Sydney match at the home of South Australian football.

One of a select few to win a Magarey and Brownlow Medal, Blight had his famous kicking action captured by sculptors Will Kulper and Melissa Judge.

Located outside of the Victor Richardson Gates, Blight's sculpture was unveiled at a public ceremony before both he and fellow sculpture recipient Russell Ebert appeared at the SA Football Commission's Chairman's Lunch.

MAGAREY MEDAL & WEST END SA FOOTBALL HALL OF FAME

In 2015, two of the SANFL's gala events were held on the same evening, bringing together over 600 Past and current players, Magarey Medallists, and SA Football Hall of Fame Members. The combining of the two events was a great opportunity for current players to mix with SA Football royalty. New Hall of Fame inductees Tim Ginever, Rodney Maynard, Leigh Whicker AM, John Paynter and Brett James joined 2015 Magarey Medallist Joel Cross from South Adelaide FC in being celebrated.

The 2015 Magarey Medal was telecast for the first time in eight years, with the production featuring on 7mate. A highly entertaining evening, the telecast featured interviews with the five new SA Football Hall of Fame inductees, as well as coverage of the count. The SANFL thanks major partners West End, Channel Seven, and Travel Superstore for their support of this event. South Adelaide's Joel Cross took home the League's highest honour for the second time, after tying for the medal in 2012.

Cross was also awarded the RO Shearman Medal on the night, with the award voted for by the coaches of all 10 Clubs.

SANFL IGA LEAGUE FINALS SERIES AND GRAND FINAL

The 2015 SANFL IGA League Finals Series was again held at Adelaide Oval throughout September, with 50,418 attending the four weeks of finals at Adelaide Oval, including 25,625 at the Grand Final on Sunday September 27. The Grand Final involved the Eagles tackling West Adelaide, with the crowd entertained by a great game of football which saw West Adelaide claim their first flag in 31 years.

Prior to the match, the crowd was entertained by iconic Aussie rock band You Am I, who performed their classic hits on a stage set up on the Northern Hill. During their set, winners of the Macca's Money Can't Buy Grand Final Experience participated in clinics on the Oval, run by SANFL Development Staff. The MAC Rescue Helicopter was again a feature of the pre-match entertainment, with the match ball landing in the middle of the Oval before being delivered to Senior Field Umpire Craig Fleer by a SA Ambulance rescue paramedic rappelling down from the hovering chopper.

The Thomas Seymour Hill Premiership Cup was brought out onto the Oval by SA Football Hall of Fame champions Malcolm Blight & Russell Ebert, who were both immortalised in bronze at Adelaide Oval earlier in the Season.

At half-time of the League match, the final of the SANFL's "Kick To Win" competition was held, with one supporter form each Club kicking for goal to win a Ford Ecosport thanks to Maughan Thiem Ford. Glenelg fan Jeremy McRae was victorious on the day, slotting three goals from his three kicks, and taking home the car - as well as finding himself on the bottom of a pack of SANFL Club mascots!

The SANFL's partners got in on the Grand Final action, with many choosing to activate on the day, with activities and giveaways for fans on the Eastern and Telstra Plaza.

HISTORY CENTRE

AAMI STADIUM

By the beginning of 2015, the History Centre expanded into five different suites in the Pavilions at AAMI Stadium, as adequate space and organisation of volunteers became more complex.

New premises were found above the Lutheran Church of Australia's Archives in Fourth Street, Bowden. The hundreds of items of memorabilia were transferred on May 16, with several items of furniture.

Vertical storage shelving for large photographs and honour boards and also a compactus have been obtained to more adequately store the many items.

GRANT APPLICATIONS FOR 2015

A grant application for a National Community Heritage Award, completed in May, was successful for $4,500. A representative of the History Centre, supported by funding from the Federal Government, attended relevant workshops in Canberra for three days. This grant will enable a Significance Assessment to occur in February through April and will provide guidelines for the future.

GRANT APPLICATIONS FOR 2016

As a follow-up, a grant application for a Preservation Assessment will be submitted in early 2016. This grant will provide funds for the items most at risk of further deterioration.

MEMORABILIA

Much has been donated, including several additional scrapbooks. The memorabilia is being catalogued by a group of volunteers.

There are currently 65 scrapbooks that have been digitised.

The history of AAMI Stadium is also being digitised.
All of the items are being photographed and entered into the AFL database by another group of volunteers.

MAGAREY MEDALS

At this time 11 Magarey medals have been donated and will be displayed at Adelaide Oval.
There are more to be replicated or received as originals.

Donations of Magarey Medals were recognised at half-time events during AFL games, with relatives of the winner being invited to that match. This will continue in 2016.

SANFL CLUBS

SANFL club historians have been included in three successful historians' meetings, and greater communication between the SANFL and the clubs has resulted in more interaction and cooperation.

This has also resulted in the clubs requesting advice from the History Centre regarding their collections and storage options.

VIDEO AND FILM OF FOOTBALL

Gathering of film and tapes of as much SANFL football as possible has occurred, and is being catalogued. The History Centre now has film and tape from all TV channels, as well as from clubs and individuals. The machines to play these are rapidly becoming more difficult to locate. The next step is to fund this project before it is too late. A philanthropist has been identified, and an approach will be made to him in the near future.

EXHIBITION 2017

Preparations have begun in conjunction with the State Library of South Australia, for the celebration of 140 years of the SANFL. This exhibition is planned for winter of 2017, overlapping with school holidays, for maximum exposure.

Preliminary plans for the display, as well as the publicity and marketing for this event, have started. Many of the organisations involved in South Australia's history are keen to be involved in some way.

SUMMARY FINANCIAL REPORT

The trading result for SANFL Inc. for 2015 was a statutory net loss of $1,770,440. This included depreciation and an impairment write-down of AAMI Stadium assets.

	2015
Statutory profit per annual report	**($1,770,440)**
Net Assets	**$107,563,569**
Cash on Hand – including loan offset balance	**$3,195,344**
Cash Generated from Operating Activities	**$2,503,877**
Borrowings	**$22,899,186**

The value of AAMI Stadium assets continues to be impaired on an annual basis as the stadium is decommissioned as part of the stadium redevelopment project. The impairment charge of $2.9m in 2015 was mainly due to the write-off of the value of the stadium lights which are now likely to be removed in 2016.

The SANFL achieved a positive net cash flow from operating activities of $2,503,877 and had cash on hand of $0.7m and a further $2.5m available that was offsetting debt.

The positive cash flow was used to reduce bank debt and provide a loan to AOSMA of $625,000 to enable it to undertake income generating capital expenditure projects.

The cash flow generated from operating activities and proceeds from sale of the first stage of AAMI Stadium Land, enabled SANFL to reduce its borrowings by $11.2m to $22.9m.

Some key points regarding the 2015 financial result are:

- A decrease in ongoing operating expenses of approximately $900,000 and a decrease in interest on borrowings of $1.1m compared to 2014 which will enable the funding of an addtional attendance incentive payment to PAFC and AFC of $1.0m p.a. from 2016.
- Reduction in permanent staff numbers from 67 to 58.
- Reduction in borrowings of $11.2m.
- Reduction in net assets of $3.81m to $107.6m mainly due to the stadium asset impairment.

In May 2014 SANFL refinanced its debt facilities to Bendigo Bank who provided SANFL five year committed facilities.

SANFL as part of its debt reduction strategy applied the $10m received from the sale of the first parcel of land at AAMI Stadium in November 2014 to reducing debt. Debt is expected to be fully amortised within seven years.
